

Plans Laid and Place Selected For Annual Show

Definite plans for the 1952 Randall County Junior Livestock Association show began taking shape at a meeting in Loyd Devin's office Wednesday night. Earlier in the week ten committees had been appointed to help plan the show. At least one member of each committee was present at the meeting which was attended by some 30 members of the association.

The City Barn was decided upon as the place for holding this year's show. The question of the sale after the show came up and it was decided to conduct it in accordance with the weather. That is, if it rains that day the sale will have to be held in a tent or building. If weather permits, the sale will be held outside.

One of the important factors involving the boys who are showing animals is the day of getting those animals to the City Barn. This is to be done on or before February 29. The day of showing will be March 1.

John Brazzil revealed that his 4-H Club boys would enter approximately 50 animals at the show. He said about 25 steers and approximately the same number of swine would be shown by the 4-H Club boys. The animals to be shown by the F. F. A. boys will total a few more than 50. These boys, under the supervision of Loyd Devin and Waylon Carroll, will show 30 hogs, 15 sheep and 7 calves.

Another problem that was settled Wednesday night concerned showing pigs in litters. Formerly pigs from the same sow could be shown in litters and compete for prizes. This year the rules will be a little different. In order to show pigs as a litter the boy must own the sow and her litter at the time of the show. It was also decided that the litter would be limited to six pigs.

The show is open to all those living in Randall County. Some of the club members live in Randall County and attend school in another county. This brought up the question whether or not they were eligible to show animals in the annual Randall County Junior Livestock Association show.

Ribbons and awards to be given winners were to be mailed out about the 18th. This would give time enough to assure their arrival here several days before the show starts.

Funeral of Elton Augustus Hollaway Held in Happy

Alton Augustus Hollaway, 56, died in Temple Sunday afternoon where he had been under medical treatment for six weeks. Mr. Hollaway has been a farmer living east of Happy since 1926.

Mr. Hollaway was a member of the Presbyterian Church and Masonic Lodge.

The funeral was held Tuesday afternoon at 2:30 o'clock in the Baptist Church of Happy, conducted by the Presbyterian pastor, Rev. Calvin Thielman, assisted by Dr. E. B. Fincher of Amarillo and Rev. R. A. Partlow of Lubbock.

Interment was in the Happy Cemetery under the direction of the Griggs-Warren Funeral Home of Canyon.

Survivors include his wife, Mrs. Mabel Hollaway; a daughter, Mrs. Willard Middleton of Happy; two grandchildren; five brothers, A. J., of East Ryegate, Vt., Harvey, Artesia, N. M., Morris of California, Raymond, Ballinger, Tex., and J. Y. Hollaway of Oakland, Calif.; three sisters, Mrs. R. E. Warren and Mrs. Kathleen Herring, Artesia, and Mrs. William Barrett, Shreveport, La.

P-TA Meeting Will Be Held Thursday

Because of conflicts, Men's Night which is usually in February will be held at the regular March meeting of the Parent-Teachers Association. R. A. Selby, Assistant Superintendent of the Amarillo Schools, will be the principal speaker.

The meeting of Thursday, Feb. 21, at 7:30 in the high school cafeteria will have the following program:

Invocation, Rev. W. J. Phelps; Special music under the direction of Miss Ada V. Clark; Discussion on the following topics: "How Is Texas Attempting to Raise the Quality of Teaching?" led by Emmitt Smith; and "How Is Canyon Attempting to Raise the Quality of Teaching?" led by Supt. E. W. Wooten.

Dick McDonald was home from Austin over the week-end where he is stationed in the Air Force. He recently returned from Florida where he spent a few months in training. He will take courses in the University of Texas, resuming his work in the Law College.

Mrs. C. L. Thompson, Mrs. C. E. Thompson and Mrs. A. B. Berry are attending the Gift Show in Dallas this week to buy goods for Thompson's.

Number 45

Deadline Is Set For Papers on Historical Data

The Panhandle-Plains Historical Society this week announced April 15 as the deadline for the Southwestern Historical Writers' Contest for 1952. Entry into the contest is open to anyone interested in preparing a paper from historical source materials of the Southwestern Plains.

First prize in the contest is \$100 and second prize is \$50.

Papers may be written upon any historical subject dealing with any phase of the history of West Texas and the Southwest. Reminiscences, diaries, biographies, letters, town and county histories, or the history of institutional developments of any kind will be acceptable.

Emphasis should be placed by a writer upon human interest and general historical value. All research papers should be documented with bibliography attached. Dates and specific locations should be emphasized wherever possible, and any subject undertaken should be fully developed.

Papers must be typewritten on one side only, double spaced and on 8 1/2 x 11 paper.

Papers should be addressed to the Panhandle-Plains Historical Society, Canyon, Texas. For further information or consultation write Dr. L. F. Sheffy, Canyon.

WTSC Band Tours South Plains In Three Day Trip

A bird's eye view of the recent three-day "Goodwill" tour of the West Texas State College band is given by one of the musicians who made the trip. The trip opened when the band appeared at Hereford Monday morning and ended with Wednesday's appearance at Kress.

The rush of events is shown as a Kappa Kappa Psi orders a "pledge" to get stands, chairs and sheet music prepared on the stage. Thirty minutes later the band was playing a march or an overture. When the music stopped there were more orders for the "pledge" to get the stage cleared so the band could move on.

Monday, Hereford and Dimmitt were made as the WTSC band started its fast trip through the south part of the Panhandle. Tuesday the band visited Levelland, Plains and Plainview. As a general rule the band enjoyed a highly successful tour.

One member put it this way: "We had good food most of the way, good crowds except in Plainview, Oh well, too close to that little place down south for people to come out and hear a WTSC band."

Between trips the musicians entertained themselves with various games, singing, a little horseplay every now and then, or by sleeping. Kappa Kappa Psi or Tau Beta Sigma members would think up something for a pledge to do, such as counting the screws in the bus. Some would be criticizing the band music while others would be worrying about some future test.

After the band members had rested from the tour, there were such remarks as, "I met a good looking babe down in Floydada. Boy, was she something!" Over in another small group you hear, "I met a teacher that I had in high school." From still another group comes, "boy, I sure got tired." Then someone speaks up and says, "we sure did play good on this trip, didn't we?"

Regional V. F. W. Meet Held Here

The V. F. W. and Auxiliary conducted their regional meeting in the V. F. W. Hall Thursday night. District Commander Clark was present as well as visitors from Tulsa, Hereford and Silverton.

Refreshments were served by 47 people present. Refreshments consisted of coffee, cocoa and sandwiches. These regional meetings are held about every six weeks at different posts. The next regional meeting of this club is scheduled for Paducah on April 14.

A week-end guest of Wanda Jean Edwards was Miss Joan Hess, who is teaching Home Economics in Stratford High School this year. Joan's home is in Groom.

Mrs. P. M. Wilson has spent the last 10 days with Mr. and Mrs. Hamill Wilson and children in Wheeler and with her sister-in-law, Mrs. A. C. Bryant, of McLean.

We have good bargains in used refrigerators, gas stoves and washing machines. Use our easy pay plan. Western Auto.

Guardsmen Will Spend Week-end On Firing Range

Seven National Guard companies of the 142nd Infantry National Guard will spend this week-end on the Guard range two miles east of Canyon Hill. Beginning of annual firing will require each guardsman who has been through preliminary marksmanship to fire about 75 rounds of ammunition.

The seven companies will be made up of four Amarillo companies, one Canyon company, one Borger company and one Tulia company of National Guardsmen.

The entire 142nd National Guard under the command of Colonel Selden Simpson will go to summer camp the first two weeks of June.

Saturday's Free Show Attracts Largest Crowd

Saturday's free movie drew the biggest crowd since the beginning of the free shows last fall. These shows are brought to the youngsters of the community on the third Saturday of every month and is arranged by the Canyon Community Recreation Council.

Cecil Massey estimated last week's crowd of youngsters at approximately 400 children. The "quiet contest" was observed and Cecil Pitt was selected as king with Jean Gillham as queen. Prizes including free theater tickets were given the two winners of the contest.

Saturday's show was sponsored by A. B. Holt of the Randall County Abstract Company. Cecil Massey said that the Olympic Theater was filled with a greater number of youngsters than had ever been out to any of the previous matinees.

Boy Scouts Given Permission To Use V. F. W. Park

Thursday night, February 7, the V. F. W. met and voted to give encampment privileges of their grounds to the Boy Scouts of Canyon. The club house and grounds of the V. F. W. are only a short distance from town. It was also pointed out that a pool and creek were located on the grounds. Each one has been stocked with fish and by next summer many of the fish should be large enough to make their catch a pleasure.

A spokesman said the park was open to the boy scout troop any time they desired to go there. The park is a five acre plot that was recently acquired by the V. F. W. Improvement was begun and a club house built. A great deal of work has been done to make the park a desirable place to enjoy camping and fishing.

These facilities have been offered the boys because of the convenient location. The troop will be able to visit the V. F. W. park when the time element would make it impossible to visit the regular Boy Scout Camp Ground.

Bufs Rank High In Nat'l Statistics

At the top of the Border Conference basketball race, the Buffaloes are also ranking high in National Statistics, according to a current NCAB statistics release. According to the tally sheet WT is fourth in the nation on field goal percentage with 39.1%, attempting 952 and scoring 372. Dropping to ninth spot in free throw percentage, the Buffs sport a 68% average, trying for 441 and completing an even 300.

Ranking nineteenth in team defense, WT has allowed only 900 points in seventeen games for an average of 52.9 points per game. Dwaine Stewart is the only individual player making national rating, and he did so with a 78.6% free throw average to garner the eighth spot among the gratis pitchers of the nation.

The team standing still finds Bill Price leading the Buff cagers with an average of 11.4 points per game, followed by Stewart, Troy Burrus, and Mose Hale with 10.9, 9.7, and 9.3 points respectively.

Norman Cleavinger, of Springlake, visited Sunday in the parental M. E. Cleavinger home. Mr. and Mrs. Norman Cleavinger will leave Sunday for California for two weeks where they will visit with their son and wife, Mr. and Mrs. Orville Cleavinger. Also while the Norman Cleavingers are in California they will visit his brothers, Gene, who lives at Norwalk, Jesse, who lives at Alhambra, and upon their return they will visit Mr. and Mrs. D. G. Axtell, who are spending the winter in Phoenix, Ariz., for their health.

Bargains galore! Three days left in our Leadership Sale. Western Auto.

Bufs Remain At Top of the Border Circuit

The Buffalo basketball team won two Border Conference games this week, defeating Arizona University of Tucson by a score of 79-73 and Hardin-Simmons of Abilene last night by a score of 81-54.

The Arizona battle was hot throughout, with six men ejected from the visitors' team and five from the Buffs by the foul route. In spite of the fact that Arizona has held the Conference crown for several years and put up a hard fight against the Buffs, the visitors went to pieces after this defeat and were badly whipped by both Texas Tech at Lubbock and Hardin-Simmons at Abilene.

Hardin-Simmons was no match for the Buffs last night at the new Field House. It was the smallest crowd of the season as the Buffs were slated to win by a wide margin. The local boys took the lead from the start and were never behind.

The crucial game Thursday night against Arizona State of Tempe will probably draw the largest crowd of the season. If the Buffs win this game the Border Conference crown will be cinched. The Buffs will be ready for this tough battle as will visitors.

The final game of the season will be played in Lubbock on Monday night, March 3, having been postponed from March 1 because of the Interscholastic basketball tournament.

Veteran of Korea Completes Leave And Re-enlists

Sergeant Wayne Dooley, a Canyon boy who recently returned from Korea, recently went to Ft. Sill to re-enlist after a 30-day leave at home. The Sergeant is the son of Mr. and Mrs. T. E. Dooley.

Before the Korean war Dooley served with the occupation forces in Japan. Later, when the Korean war broke out, Dooley served as a paratrooper in that theater.

Dooley came to Canyon with his parents in 1944. He is a graduate of Sunray High School. While in attendance there he played football and also took part in other athletics.

Eagle Cagers Top Floydada 66-49 In Final Game

The Canyon Eagles coped with the regional championship Tuesday night by defeating Floydada by a score of 66-49 in the Eagles' gym. During the first half the game was really nip and tuck with first the Eagles taking a one or two point lead then the Floydada team getting back in front.

One of the most spectacular plays of the game was made by Bob Ratliff. Bob took the ball on the north end of the court to toss it in after it went out of bounds by Floydada. Spotting Ray Burrus under the south goal, Bob threw the ball all the way down. The ball sailed into the air and right through the basket. For ten minutes the house almost came down from cheers. The goal? It was no good, Ratliff was outside when he tossed the ball in which made the two points illegal.

Ray Burrus was high point man for the Eagles with 24 points scored during the game. A. C. Wimberly and Dick Dawdy tied for second with 10 points each.

On the Floydada end of the court Stovall was high point man with 15 points. Floydada also had two men to tie for second place in scoring. Teague and Hutchinson each racked up 12 points to share the second high scoring slot.

The hard fought game showed a lot of good clean sportsmanship on each side. The 47 fouls committed during the game were less than most fans expected. It was the last game of the season for the Eagles in this region. Their next basketball games will be competing for honors in a tournament at Lubbock.

Mr. and Mrs. Curt Curb of Amarillo spent Sunday in the home of Mr. and Mrs. J. C. Curb.

Mr. and Mrs. C. E. Clark, and son, Jon, visited in the Hamill Wilson home in Wheeler Saturday.

Rape Case To Jury Wednesday After Argument

The criminal case against Harold H. Teeter of Amarillo, charged with rape in Randall County, will go to the jury today.

When court adjourned Tuesday evening, it was announced that the state might put on one witness Wednesday morning. Following this brief testimony Judge Henry S. Bishop will read his charge to the jury, and arguments will follow.

The case will go to the jury during the afternoon.

Members of the jury selected Monday are: W. C. Jarnagin, Ralph Ruthart, H. C. Renfro, Walter Partridge, Jack Barnard, R. L. Fullerton, Forrest Gruner, J. L. Pate, Jr., Lloyd McAtee, John Robinson, Emil Olson, and D. B. Lowes.

Mrs. G. B. Tabor Has Returned to Work on The News

Mrs. Guy B. Tabor has returned to The Canyon News after an absence of nearly two years during which time she has lived in Wichita Falls at Sheppard Field.

Mr. Tabor is instructor in the Army Air Force and was transferred last week from Wichita Falls to the Amarillo Field.

Mrs. Tabor will commute between Amarillo and Canyon daily and will take over the bookkeeping and general work in The News office.

Broken Wrist Result Of Minister's Fall

Rev. Strauss Atkinson, pastor of the First Baptist Church, took a little fall Tuesday, February 12, which resulted in a broken left arm, a bruised right knee and a sprained right wrist.

The incident occurred while the Reverend was helping his daughter clean up her doll house. He had stacked up everything that looked as if it needed to be stacked and put up the step ladder. Upon noticing another board that needed storing higher than he could reach he decided to use a barrell in which china had been packed instead of dragging out the step ladder again.

In giving the board a final shove Atkinson tipped the barrell over and fell. His left arm was broken a few inches back of the wrist. His right knee received a nasty bruise and his right wrist was sprained. He received treatment at Neblett Hospital and after getting his right wrist massaged enough to relieve the pain of the sprain was able to continue his duties.

BIRTHS Mr. and Mrs. William Harmon are the parents of a baby girl born February 14.

Mr. and Mrs. Hoyle Shipman are parents of a baby boy born Feb. 19.

Mr. and Mrs. J. W. Butler are parents of a baby girl born Feb. 20.

Mr. and Mrs. Duane McAtee and son, Mike, of Childress spent Sunday in the home of his parents, Mr. and Mrs. W. H. McAtee. Duane spent four years in the Navy with much of that time in China and Alaska. He has been in civilian life now about a year.

Mr. and Mrs. R. D. Lowry spent Sunday afternoon in Hereford visiting their son and family, Mr. and Mrs. O. D. Lowry.

Mr. and Mrs. Lee Chandler of Borger and Mr. and Mrs. Don McAtee visited over the weekend in the parental W. H. McAtee home.

Mr. and Mrs. J. M. Hart and son, Jon, visited in the home of Mr. and Mrs. G. B. Combs Friday and Saturday.

Petition Asks For Election School Trustees

Three petitions have been circulated in the Canyon Independent School District this week asking for the election of T. B. McCarter and Wilford Taylor, Jr., as members of the school board.

The terms of office of Dr. R. A. Neblett and George R. Ross will expire on May 1st and both have requested that they be relieved of their duties on the board of trustees.

The names of more than 150 voters are on the petitions and have been filed for the election to be held in April.

Mr. McCarter is the retired head of the Physics Department of West Texas State, while Mr. Taylor is a member of the firm of Taylor & Sons. He has served on the school board once before the recent expansion of the school district.

Recuperating Air Force Member Enjoys Mail

Pfc. William H. Hamblen, son of Mr. and Mrs. Alfred Hamblen, recently talked with his parents by telephone from an Air Force Hospital in Nagoya, Japan. His main request was for the parents to "keep those letters coming."

Hamblen is recovering from an operation that removed a bone tumor from his ribs. His parents hope that their completed call was a boost to his morale and that it will help him recover from the operation.

The Hamblens, who live in town and have a farm near Wayside, have two sons in service. Corporal Bural Hamblen is in Korea and was last heard from several months ago when he was with a unit near the front.

William went into service in 1951 and was trained at Sheppard Field before going to Japan.

Former Resident In California HS Sports News

Farrell Funston, a local resident until about four years ago, is making sports headlines in California's Sacramento Valley. Farrell is the nephew of Paul Funston, formerly a part owner of the Buffalo Drug Store.

Sixteen year old Farrell Funston is a sophomore and is described as outstanding on the basketball court, an up-and-coming football player and also good at baseball and broad jumping. The young athlete is slightly under six feet tall and weighs 175 pounds.

A high school record was established by Funston when he racked up 42 points in a basketball game. At Dixon High, where Funston is attending school, Coach Ed Kay says that in his nine years of coaching there, Farrell is the brightest athletic prospect he has had. The coach described him as an excellent team player who is highly accurate on close-in hook shots.

A Demonstration Given in Baking Yeast Loaf Bread

The Canyon Home Demonstration Club met with Mrs. J. A. Edwards, February 15. Miss Lou Ella Patterson, Home Demonstrator, gave a very interesting and informative demonstration on how to make yeast loaf bread.

Those present were Mesdames Marion Higdon, Leroy Wooten, T. R. Moreland, Johnny McBroom, J. E. Keeling, Floyd Childress, Douglas Louder, W. J. Townsend, Jack Parsons, Hulsey, Luke Miller, Milton Myers, E. L. Hardaway, Bill Money, C. J. Hughes, Miss Patterson and the hostess, Mrs. Edwards.

The Canyon Home Demonstration Club members and their husbands had a combination box supper and "42" party Friday night, February 15.

Olympic Theater Gets New Seats

Tuesday afternoon the Olympic Theater hung a sign on the marquee which read, "closed to install new seats." This latest development for the comfort of the movie goers climaxes a series of improvements made by the local theater. The installation of seats did not completely disrupt movies. The shows were taken down to the Varsity Theater that is usually closed during the week.

Before the installation of the new seats the theater had purchased a new type of screen and also added new lens to the projectors. The seats were the latest addition of beauty and comfort for theater goers. They had been ordered more than a month ago and were especially manufactured for the theater.

The seats were manufactured to the incline of the floor and were especially colored to blend with the tones of walls and carpet. Charlie Donnell said that installation would be complete and the theater would be open for business Thursday night.

Help Keep Canyon Clean!

Three Fines Are Paid On Drunk-Assault Charges

Two men were fined \$100 each and another \$20 in Randall County Court Saturday morning on drunk and aggravated assault charges. The two \$100 fines were assessed when two of the trio entered a plea of guilty to an assault upon Chief of Police W. W. Camp. The third member of the trio was fined \$20 on a charge of drunk and disorderly conduct.

The incident occurred Friday night when Camp stopped the car in which the men were riding. On the way to the police station two of the men were said to have attacked Policeman Camp. The report said the attack was quelled after the men had taken the policeman's blackjack and hit him.

A fourth man involved in the incident was said to have a second set of keys. He made his escape while the policeman was taking the other three to the local police station.

No Danger of War With Russia Is Seen by Stokes

Judge W. N. Stokes of Amarillo, former member of the Civil Court of Appeals, spoke Monday night at the Wesleyan Service Guild at the Methodist Church, on the work of the United Nations.

He reviewed the history of the United Nations and its accomplishments.

Russia has used the veto 47 times and France once; yet the United States has never used the veto in spite of the fact that it was this country which demanded that it be written into the organization. The General Assembly has devised a method of by-passing the Security Council for the purpose of defeating the veto powers of Russia.

The UN is doing a wonderful job throughout the world, states Judge Stokes. The critics of UN are not taking into consideration all of the vast organization and the work which is progressing under its direction.

"There will be no war with Russia in the immediate future, is my opinion," stated Judge Stokes. "So long as the UN keeps the nations talking there will be no fighting. If America has been destroyed as thoroughly as the Germans destroyed Russia, it would take us 20 years to recover," stated the Judge.

Stork Specials

Born to Mr. and Mrs. Hamill Wilson a son at Wheeler Hospital on February 6. Young Warren H., Jr., is the grandson of Mr. and Mrs. P. M. Wilson.

A son was born to Mr. and Mrs. Orville Howard on February 15th in Logan, Oklahoma. The young son has been named Mark Howard. He is a great-grandson of Mr. and Mrs. R. D. Lowry.

Contest Open to WT Journalism Students

Members of the West Texas State College journalism classes will compete in the annual Cabot Corporation's contest for an award of \$150. The subject this year, "Advantages the Panhandle Area Has to Offer New Industries," was selected by Dr. James P. Cornette, President of West Texas State College.

The annual contest had its beginning last year when the Cabot Carbon Corporation of Pampa sponsored the contest. Last year's subject was "The Plains Historical Museum," and was won by Don Turner, of Canyon, who wrote on the A. L. Nicholson Gun Collection.

This year's subject was agreed upon after Dr. James P. Cornette and the journalism department conferred with officials of the Cabot Corporation in Pampa.

Articles are not to exceed 1,500 words in length and must be accompanied by a picture illustrating the subject matter. Judges for this year's contest have not been selected at this time.

Those entering the contest must hand the article they enter to Vaughn Vandergriff or T. C. Brown, of the journalism department, before April 15 of this year.

M. B. McManigal Wonders at Change

M. B. McManigal of Happy was a business caller in Canyon Friday. He is amazed at the changes which have taken place in the nation during recent years. He came to Randall county in 1909 and has been farming since that time.

When the nation went off the gold standard and inflation started to spiral prices, Mr. McManigal started to wonder just how long conditions could continue.

Sunday Dr. and Mrs. C. H. Deseda, from Van Austin, Texas, visited in the home of Mr. and Mrs. P. M. Wilson. A tour through Palo Duro Canyon was also enjoyed.

EDITORIAL COMMENTS

Evasive Harry Talks a Lot But Says Nothing of Plans

Rather than be assuming his real name, he should be called "Evasive" Truman. Harry does not fit in his case.

Politically he cannot be blamed for being evasive about his future plans. That is, if you are to consider the case of Truman, the man.

The case is different so far as the welfare of the nation is concerned. Regardless of whether he will be a candidate, or will not seek re-election, the job of being president of the largest and most powerful nation in the world is too important to be kicked around like a football just to suit the whims of one man.

Your guess is just as good as that of any other person in the United States. One group says that Truman will not run; the other group says that he will run. That is the only choice between the two groups. He will or he won't seek re-election.

We have been asking the voters the question as to their opinion. There is a decided reaction against Truman seeking another term. We have yet to find any voter in Randall county who wants Truman to seek re-election. That does not mean that there are not plenty of folks who secretly hope that he will run again, and if he does not enter the race will be strong for him.

There is a growing feeling that if the race is between Taft and Truman that the President will win. That may be the case, since Taft is so frank, fearless and open in his words and opinions that he might make a poor candidate, according to local people.

There is a decided MacArthur movement getting underway in spite of the declaration of the General himself that he is not a candidate. MacArthur is violently opposed to General Eisenhower, and if he thinks that General Ike has a chance for the nomination, he might get into the running as a compromise candidate.

We have not changed our minds about Truman. Our guess is that he has been a candidate from the very start and will declare himself for another term in the near future. We have the idea that Truman is egotistical enough to think that he can cram down the throats of the voters his record of corruption in government, in spite of the revolting idea that prevails at the present time against the administration. Truman seeks to make peace the major issue; the voters have an idea that corruption in government is the major issue.

Now you guess!

Presidents Were Abused by the People During the Psst Years

If you think that people are getting pretty rough with our public officials, just turn over the pages of history and see what was said about presidents in the past.

The name of George Washington has become a household word with our people of today. Not so in the days while he was leading the colonies against the forces of England.

Folks look upon Lincoln today as the savior of the nation. Yet during the war between the states he was called all kinds of names, and charged with all kinds of crimes.

During World War I the Newsman was with a group of eastern soldiers. We received copies of *The Canyon News* which were compared with copies of eastern papers. It was amazing how refreshing the news from Canyon was in comparison with the stuff printed in some of the small eastern newspapers. How the publishers ever escaped libel suits still remains a mystery to us. Public officials were called thieves and liars without discrimination, even in 1918-19.

After all, here in Randall county we may disagree with the policies adopted by public officials, but we do not accuse them of being dishonest in their dealings with the public because of this difference of opinion.

Who Makes Out of Buffalo Lake Never Has Been Answered

Buffalo Lake has been in the news of late.

It would seem that under the new management, whether just or not, prices have been increased. This did not suit a lot of patrons who preferred to go without improvements in the facilities at the Lake, which were promised under the new price structure.

Personally we are of the opinion that when it was declared by the government representative, Mr. Caserta, that no one knew what the revenues of the Lake were that either Caserta was spoofing or else is unqualified to run public business.

There is certainly some way of determining what Buffalo Lake has yielded to the concessionaire. At least the former man in charge told the Newsman what he was making, and this information should have been available to all bidders on the project.

To our way of thinking the new concessionaire, Roy E. Childers, is the victim of the worst type of bureaucratic domination. We hope that he can work out the present situation.

Government Would Know What We Expect to Buy in the Future

Uncle Sam's government up in Washington wants to know what *The Canyon News* will need in the way of equipment during the near future. We presume that all newspapers have received such a request.

There are many things that would make publishing more pleasant and perhaps efficient, but the greatest need is for the government to get its nose out of our business and let us run our affairs. We still think that we know more about running a country weekly than any bureaucrat in Washington.

Minorities which howl about tolerance rarely exhibit tolerance.

A little confidence in a person can often produce great results.

The passage of years usually increases the wisdom of the departed.

The nation includes those "open-minded" persons who listen to only one side.

Character is never established in a single year.

If you have a real friend, never let him go.

Check of Local Rents Was Made By Pair of Government Officers

A pair of government officials spent the day in Canyon last week checking on housing and the prevailing rents charged in the community.

One of the men, who posed as the spokesman, said that he had not the least idea as to why they were sent to Canyon. This is one of the few towns in West Texas where such a survey was made, if his vague questions could be interpreted as a survey.

All we have to say is that the government must have an over supply of hirelings in Dallas when two were sent all the way out here to ask a few silly questions about something they admitted that they knew nothing.

Probably as soon as they got back to Dallas they would be returned to some other West Texas town to repeat the same dose of questioning.

At least the pair was frank in saying that they found nothing suspicious and that they had not been informed as to the whys or wherefores of their trip here.

Uncle Sam has plenty of money to waste on needless trips, just so long as you kick in your income tax!

Waste of Public Funds Is Being Shown by Congressional Groups

Congressional investigation reveals that the armed forces are wasting billions of dollars through the practice of needless extravagance in buying. Prices have varied from near normal to three or four times the amount that they should have been paid.

That is one reason that the voters look skeptically upon the candidacy of military men for presidents. Waste of public funds—hard earned money from the pockets of the pressed taxpayers of the nation, should be carefully conserved.

We are still told by the White House that we are fighting a delaying police action in Korea, with no thought of winning the war. However, this does not give the armed forces an excuse for wasting either American life or American tax money.

The average civilian looks with disdain upon the antics of some publicity seeking congressmen, but let it be remembered that the investigating committees of congress have uncovered a lot of waste of which the public has been kept entirely in the dark.

School Crisis Again Confronts The Taxpayers of All Texas

The schools pass from one crisis to another. The problems of school management will never be settled.

When the Gilmer-Aiken law was passed, we heard that the schools were now all fixed up for the future. We read now that housing is the most vital problem of schools, and can only be settled by a vast building program. To carry out the spirit of the Gilmer-Aiken law, more rooms must be provided.

Locally, it has been foreseen for many months that the voters of the Canyon Independent School District must provide additional rooms to make the schools efficient.

One fact is impressed upon the voters: There is a growing need for efficient schools; and that education is the greatest gift that may be given to the youth of the nation.

So long as Harry is trying to spend all of the money in the nation, the folks may not like the idea of building more school houses, but there is no way to stop progress—educational progress.

Much To Do About Nothing in Border Conference Negro Case

There has been much ado about nothing in athletic circles of the Border Conference over the race problem.

A young Negro was star of the Arizona University basketball team until the end of the semester, when he failed his work. He is no longer a member of the team.

In the meanwhile Texas Tech declared that their athletic teams could not play against Negroes.

As we have often said, we know nothing about the Negro, never having lived in a community with them. But we have always had the idea that the Negro question would be settled for educational institutions by opening the doors and allowing the Negroes to enter so long as they were able to make their work.

We hope that we shall not have to face this race problem as we have not many more active years either of business or of life.

Rash of Crime Denotes Growing Pains and Very Little Else

The brutal slaying of an innocent groceryman in Amarillo is the result of "growing pains" of a community. Maybe there are no more crimes in Amarillo than in any other town of comparable population, but have been convinced that the number of crimes is too large and come too frequently.

Citizens of South Amarillo have been requesting more police protection for some time. A policeman on every corner will not stop or solve all crimes. However, we are convinced that this growing section of the county is entitled to additional police protection.

We trust that no crimes will come this way, either hitting South Amarillo or Canyon, but the way of criminals remain a deep dark secret to those who want to be honest and law abiding.

Love increases with time among those who avoid the fates of selfishness.

Not all hunting and fishing trips are bona fide hunting and fishing trips.

There are few in life who will pass up a scheme to make a quick dollar.

Everyone has good traits, if you will take the time to discover them.

It's hard to believe but a ninth of 1952 has already passed into history.

There is a vast and fundamental difference between promise and performance.

The best way to make a fortune is to work for it and to begin while young.

The average citizen easily swallows a little hokum.

It goes right to the seat of the trouble to aid nature soothe and heal raw, tender, inflamed bronchial membranes. Guaranteed to please you or druggist refunds money. Creomulsion has stood the test of many millions of users.

CREOMULSION

relieves Coughs, Chest Colds, Acute Bronchitis

of December.

The bulletin went on to say that recently a dairyman remarked that D. H. I. A. ruins too many ten gallon cows. It was also shown that what the milk lacked in quantity it made up for quality when cows were fed according to D. H. I. A. standards.

The Bulletin mentioned the recent outbreak of a contagious disease among cattle in this area. Because it threatened their business, the cattlemen were naturally the first and most alarmed people by the disease. The threat has been confined and limited because qualified men were called upon for service and advice. The bulletin pointed out the dangers of rumors and half-truths at times such as that recently gone through.

Local herds which produced the highest amount of butterfat were those of Grady Hazlewood, Neil Downing and L. S. Johnston. The ten top cows in milk were owned by L. S. Johnston, W. T. Johnson, Joe Carver, Bob Kerschen, George Heard, and Neil

ROYAL CHARM—The new Queen Elizabeth is known for her royal dignity and charm, as Americans who saw her during her recent visit here can testify. The popular 25-year-old ruler is shown flashing her sunny smile as she attended a recent London film premiere.

Downing.

The ten top cows in the production of butterfat were those of Joe Carver, Neil Downing, L. S. Johnston, W. T. Johnson, Bob Kerschen and George Heard.

Other dairymen whose herds were mentioned in the bulletin were: H. Kriegshauser, Denzil Pullum, V. K. McCaskill, Ed Bourn and Son, Herbert Boardman, Heydt and Stockett, and Clark Jarnagin.

Admirals and generals are fretting over President Truman's order as Commander in Chief that requires the U. S. Navy to prevent the forces of Chiang Kai-shek on Formosa from harassing Communists on the mainland. The military view is that U. S. is paying in casualties in Korea for a policy that assures the Communists against any threat along the coast of China. Communists are able to concentrate forces in Korea.

Anthony Eden, acting for Britain, has opposed U. S. in its insistence that Japan go along with this country in its policy toward Communist China. The British favor closer ties between Japan and Communist China and oppose Japan's agreement to recognize Chiang's Government in Formosa.

Baird, Deceased, were granted to the undersigned on the 14th day of February, 1952, by the County Court of Randall County, Texas. All persons having claims against said Estate are hereby required to present same to Charles P. Stephenson within the time prescribed by law. My residence and Post Office address is 1407 West 19th Street, Amarillo, Potter County, Texas.
Charles P. Stephenson, Independent Executor of the Estate of R. E. Baird, Deceased.

Jack T. Hughes Addressed Lions Club Wednesday

Jack T. Hughes, an instructor of geology at West Texas State College and curator at Panhandle-Plains Historical Museum, addressed the Lions Wednesday. Hughes got his talk underway by explaining that geology is the study of the earth and anthropology is the study of primitive man. As a general rule geology concerns fossils of ancient or extinct animals while anthropology concerns primitive man both ancient and modern.

Establishing accurate dates is one of the important phases of geological work, Hughes explained. He said historical dates in connection with geology fall into two classes. These are absolute and relative classes, and there are many methods of computing the time. The difference in the two is that relative age is somewhat general while absolute age is fairly accurate.

There are many methods of establishing the date of death of ancient humans or animals. If the bones are found in a river delta the silt deposit holds the age secret. The method of counting the silt deposit is not highly accurate but is used a great deal, Hughes explained.

Other methods are the tree ring method, cumbersome because it requires a great deal of time in getting a master chart in order; and the more recent radio carbon and radio radium. The last two methods, although highly technical, are also highly accurate, the speaker said. Hughes explained that these two methods of dating various finds was going to give school children many new dates to forget.

The speaker was introduced by Lion Lawrence Hunnicutt. In addition to the speaker, the Lions welcomed two guests, Bill Longbine and Dave Frost.

President Truman is being told that it is far from sure that he can deliver the Democratic nomination for President to Adlai Stevenson, Governor of Illinois. Unless Mr. Truman can pick the nominee, Democratic leaders expect him to agree to be drafted.

As of now, Democratic politicians feel that Senator Estes Kefauver has better than a 50-50 chance of defeating President Truman in the New Hampshire presidential primary. Orders are out to throw in the big guns to assure a Truman victory if possible.

Pravda plays up Hoover "warning" on U. S. foreign policy.

Buy, Build, Live in Canyon!

Brick Fund Gets \$75

Buffalo Gal pledge Mary Ann Dawdy, collecting funds to purchase brick for the new Student Union building, accepts a check from Bob Clark, local business man and ticket agent for Buffalo athletic events.

Contributions, headed by a \$75 donation by the Pi Omega Sorority, for the Buffalo Gals project of securing funds for brick for a new student union building began to come in this week. The goal set is \$7,500.

The sum donated by the Pi Omega will purchase 1,000 bricks for the proposed building. Although the Gals had not planned to officially open collection of the funds until February 21 they are accepting money to aid the project now.

However, next Thursday will see the beginning of a house to house campaign in Canyon to secure funds. Last night at the West Texas-Arizona U. basketball game the Gals set up a table and accepted donations.

Monday saw the beginning of the extensive publicity campaign planned by the Gals go into action.

Spring pledges of the club; Clara Darling, Nancy Farwell, Mary Ann Dawdy, and Bonnie Hughes, have been aiding in publicity by wearing signs telling of the project.

The great need of a newer and larger student union prompted the Buffalo Gals to undertake this large money-raising project.

All social and honorary organizations on the campus are asked to lend their support to the construction of the new student union building.

Beverly Beck, president of the service club, reports that the Gals will continue to act as ushers at the remainder of the Buffalo home basketball games.

Governor Adlai Stevenson, of Illinois, is continuing to be looked over very carefully by the White House as a man who might get the Truman backing for the Democratic nomination. The record of Governor Stevenson is under intensive study.

Polls taken privately in New Hampshire among registered Republicans indicate that General of the Army Dwight Eisenhower will have no walkaway in the March 11 primary when his name is put against that of Senator Robert Taft. "Ike's" glamour for Republicans will be a bit reduced if he doesn't win by a big margin.

A mid-January poll in Oregon, made by professional opinion samplers, showed this result: Eisenhower, 40 per cent; Warren, 18.2 per cent; Taft, 9.2 per cent; Truman, 8.6 per cent; MacArthur, 7.4 per cent.

President Truman is letting visitors quote him in language almost exactly like that used by the late President Roosevelt before his third-term "draft" in 1940. Mr. Truman would be glad to sacrifice his health in the nation's service, as President, if necessary to assure "peace."

When Representative Adolph Sabath, of Illinois, quoted President Truman as willing to be drafted, Sabath really was quoting himself and not Mr. Truman. The President did very little talking when the two met.

Winston Churchill, Britain's Prime Minister and a friend of the U. S., is being put on the defensive in his dealings with this country. Communist propaganda, which pictures the United States as the aggressor in Korea, is being given a big play by the leaders of the British Labour Party. There is strong pressure from Britain to pay the Communists a high price for a truce.

Diplomats are preventing U. S. military services from applying pressure enough on Communist China to prevent that nation from growing stronger and increasing its potential for conquest of Indo-China, Hong Kong and Malaya, among other places.

Mr. and Mrs. J. W. Kleinschmidt have returned home after spending a month in Los Angeles, Calif.

Miss Joanna Haines of Lubbock spent the week-end in the home of her mother, Mrs. Gladys Haines.

Carl Gene Crow left Monday to report to Oklahoma City after being called into the Navy.

Army's own air arm grows fast, may total 3,500 planes.

Saskatchewan sees \$50,000,000 outlay for oil exploration.

Stewing In His Own Juice

MARTHA CIRCLE, METHODIST CHURCH, MEETS TUESDAY

Tuesday afternoon 13 members and one new member of the Martha Circle met in the home of Mrs. A. W. Sternberg with Mrs. Douglas as co-hostess. Roll call was answered by quotations on different fruits of the spirit.

A solo by Mrs. D. A. Nicholas was "There is a Wideness in God's Mercy." Devotion of "Fruits of the Spirit on Gentleness," was given by Mrs. W. H. Stroud.

Mrs. Sargee gave quotations on W. S. C. S. as an organization. Mrs. Dorothy Haley talked on "Deaconesses." Mrs. T. V. Crounse told of the work in India. Mrs. Frieze explained the "Fruits in Africa."

Mrs. McElroy reported on Malaya. The meeting closed with a prayer by Mrs. W. H. Stroud and followed with singing of the song, "More Love To Thee."

MRS. ROSS CRAIG HOSTESS PRISCILLA CLUB LUNCHEON

Mrs. Ross Craig was hostess to the annual Valentine luncheon of the Priscilla Club on Friday, February 15. She was assisted in the dining room by her daughter and daughter-in-law, Miss Betty Ross Craig and Mrs. A. G. Craig.

A delicious luncheon was served buffet from an attractive table centered with an unusual Valentine centerpiece.

The guest list included Mrs. C. M. Presley, Mrs. Ernest Brown, Mrs. Alfred Bellah, Mrs. Virgil Henson, Mrs. J. A. Clark, Mrs. Bill Crow, Mrs. R. A. Hodges, Mrs. W. H. Stroud, Mrs. Ray McReynolds, Mrs. J. Evetts Haley, Mrs. J. W. Shook, Mrs. Guy Harp, Mrs. C. M.

Dowlen, Mrs. Irving SoRelle, Mrs. S. B. Loudder, Mrs. E. D. Walker and Mrs. J. M. Daugherty.

SUNNYHILL H. D. CLUB HAD VALENTINE DAY MEETING

Mrs. R. B. Gist, Jr. was the hostess of the February 14th meeting of the Sunnyhill Home Demonstration Club. The club had 11 members present. There was one new member and one visitor in attendance.

After the business meeting Mrs. Clinton Miller gave a lesson on home nursing and Mrs. Charlie Quarmstrom gave several piano selections.

Beautiful Valentine refreshment plates were served to: Mrs. Orva Henry, Mary Williams, S. L. Robinson, Al Allison, M. R. Siller, Floyd Moore, Clinton Miller, E. H. Stephens, Everett Culp, Charlie Quarmstrom, Lester Knox, Eula Hayes, Everett Evans and the hostess, Mrs. R. B. Gist, Jr.

The next meeting is to be February 28 with Mrs. Floyd Moore.

Bargains galore! Three days left in our Leadership Sale. Western Auto

Mr. and Mrs. W. C. Myers and children; Bud Myers of Lubbock, their mother, Mrs. W. S. Myers of Canyon, attended the Hardware Convention in Amarillo last week.

Mr. and Mrs. Jack Powell of Seminole left Saturday morning after having spent last week in the A. M. Cunningham home.

Mr. and Mrs. Ira Unsell of Groom visited Mr. and Mrs. Jack Downing last week.

Petition Filed For 2 School Trustees

To the President of the Canyon Independent School District:

We, the undersigned citizens and taxpayers of Canyon District do hereby request and petition that the names of Mr. T. B. McCarter and Wilford Taylor, Jr., be placed on the ballot for school trustees of said district in the coming election. Respectfully submitted:

Here is our American religious heritage, a little girl at her prayers as she prepares for sleep. Every child has a right to go to bed with a clear sense of the care and love of the God in whose world she has come to live. We impoverish little folk if we fail to surround them with heavenly blessing and providence. A child has a right to parental care and protection; a child has an equal right to a sense of divine concern for his happiness and well being.

"Our Father" is the affirmation of trust and of affection for God. "When ye pray, say 'Our Father'." And that makes all the difference in the world. The child who learns early to associate her (or his) God with friendliness and goodwill will never be afraid in the presence of the Almighty. God must forever be loving and helpful, instead of the judge sitting on the bench of wrathful condemnation. To know that God is our Father helps greatly in our daily living. The child has no fear in her eyes nor in her heart. There are only gratitude and trust and happy affection. That is religion at its best. She learned it at home and at church. Let us see to it that our girls and boys shall grow up in the same environment of quiet faith and reverent worship. To that end we shall be reverent and prayerful parents; to that end every child shall have a place in the best religious instruction the church can provide.

Did you know that there was one outfit of Confederates who wore blue uniforms—yes, sir, they wore the blue uniforms of the Union forces. It was through necessity, however—and it is a part of the story of the life of Joseph D. Sayers who, many years ago, was Governor of Texas.

Sayers was born in Grenada, Miss., in 1841 and, at the age of 10, moved to Bastrop, Texas. There he read law under Col. Wash Jones, a noted attorney and orator, who served a term in Congress as a Greenbacker and, in 1882, ran for Governor on the Greenback ticket and reduced the majority of the Democratic candidate, Gov. Ireland, to 40,000. Sayers, though learning law and acquiring an interest in politics from Col. Jones, did not follow him outside the Democratic party.

Sayers was still in school when Civil War broke out and he enlisted in a company of mounted volunteers under Gen. Sibley. The Sibley regiment was ordered to capture the federal military posts along the Mexican border and proceed to take possession of New Mexico and Arizona. On Feb. 21, 1862, a battle was fought at Val Verde near Ft. Craig, N. M., Gen. Canby being in command of the Federals and Col. Tom Green in command of the Confederates. Though largely outnumbered, the Confederates were victorious.

Lieut. Sayers distinguished himself in this battle by charging across an open plain in the face of the enemy's fire and capturing a battery of light artillery in a hand-to-hand contest with the gunners. He was promoted to a captaincy and placed in command of the captured Val Verde Battery, as it was known thereafter.

The Confederates were poorly provisioned and scantily clad and they suffered great hardships in the New Mexico campaign. They

"The fate of unborn millions will now depend, under God, on the courage and conduct of this Army."

George Washington's words, spoken at Valley Forge during the trying winter of 1778, apply equally to our Army in Korea today. Led on by the spirit of our first commander-in-chief, that Army is fighting an enemy whose wish it is to enslave millions, born and unborn.

defeated the federals in the battle of Glorietta where they captured enough Union uniforms to outfit the entire Confederate command in regulation blue. A straggler might therefore have mistaken the Southern forces for a Northern one. As one historian says, "When the snow was flying, those old Confeds did not scruple to wear Yankee wool to keep their backs warm."

The region being sparsely settled and so far from the real theater of war, it was decided by the high authorities that the quarry was not worth the chase, so the Confederates were recalled and marched to San Antonio. After

the battle of Galveston, they fought in Louisiana where on Bayou Teche, Capt. Sayers was severely wounded and had to use crutches until the end of the war, though as soon as he could ride a horse, he returned to the army and was again badly wounded in the battle of Mansfield.

At the close of the war, he returned to Bastrop, served in the State Senate, then as Lieutenant Governor, and seven terms in Congress where he was chairman of the appropriations committee; and when he left, Tom Reed, the Republican leader, said it was a loss to the nation. Sayers was governor two terms and then spent his final years in Austin.

BATH CAUSES EXPLOSION

Uniontown, Pa. — Glenn Crossland, of Belle Vernon, turned on the water to take a bath and his house blew up. Neither he nor his wife was hurt but damage to the house was estimated at \$5,000. Investigators believe that natural gas in the ground apparently seeped into Crossland's 90-foot well and, from there, into the basement of the house. Then, when Crossland turned the faucet, the electric pump began to operate and a spark apparently ignited the gas.

Jobs, income, savings make record highs last year.

Buy, Build, Live in Canyon!

1. In New Hampshire.
2. On March 11th.
3. Franklin Pierce (1852).
4. Five Jackson (1829-37); Grant (1869-77); Cleveland (1885-89 and 1893-97); Wilson (1913-21); Roosevelt (1933-45).
5. Edgar Faure.
6. Egypt — Aly Maher Pasha.
7. \$82.50 a month.
8. \$50 a month.
9. Mist.
10. Argentina — 247 pounds per person a year.

ONE MINUTE SPORTS QUIZ

1. How old is Joe Walcott?
 2. What changes are being proposed for the Football Yanks?
 3. What was unusual about the Dodgers' training agreement recently reached with Vero Beach, Florida?
 4. Who is Robert K. Christenberry?
 5. Who is president of the Detroit Tigers?
- THE ANSWERS:**
1. 38.
 2. A move is afoot to move the franchise to Dallas, Texas — the team would become the Rangers.
 3. It ran for 21 years, believed a record.
 4. Chairman of the N. Y. State Boxing Commission.
 5. Walter O. (Spike) Briggs Jr.

Winston Churchill, after being filled in on "leaks" of information obtained from the U. S., has promised to tighten up the security machinery of the British Government. Mr. Churchill wants to share in U. S. atom secrets.

A fool may be known by six things: Anger, without cause; speech, without profit; change, without progress; putting trust in a stranger; and mistaking foes for friends. —Arabian Proverb.

Airman Lee Royce Shaw of Tipton, Okla., and Airman Don Mickey, left Monday for Alameda, Cal., after spending the week-end in the J. E. Mickey home. Don was stationed in Memphis, Tennessee.

Temptation rarely comes in working hours; it is in their leisure time that men are made or marred. —William Taylor.

When clouds are seen, wise men put on their cloaks. —Shakespeare

Bible Verse to Study

"Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength."

QUESTIONS:

1. What rank did Jesus give to this commandment?
2. To whom was he speaking at the time?
3. Where may this commandment be found?
4. Can it be found in the Old Testament, also?

Bible Verse Answers

1. He said it was the "first" among all commandments.
2. One of the scribes.
3. Mark 12:30.
4. Yes; Deut. 6:5.

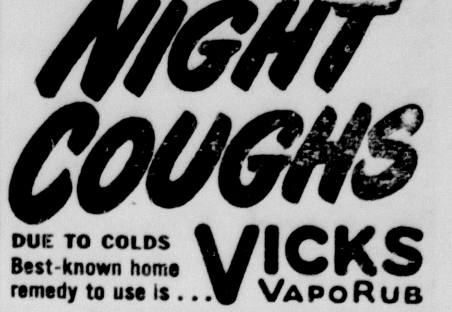

AMENDMENT TO AMEND

Paris. — One of the most interesting happenings of the recent United Nations meeting was the resolution, introduced by the Soviet Union, which proposed "An amendment to the amendment by the United States, to the amendment by the U. S. S. R., to the amendment by Afghanistan, to the amendment by the United States to the joint draft resolution by Afghanistan, Burma, Egypt, India, Indonesia, Iran, Iraq, Lebanon, Pakistan, Philippines, Saudi Arabia, Eyria and Yemen."

It would be better to be of no church, than to be bitter for any. —William Penn.

ROBBERS, 10 AND 12

Allentown, Pa. — Police reveal that a 12-year-old boy and his 10-year-old sister admitted taking \$600 from a feed store. The robbery was discovered after the girl gave some \$10 bills away because she "didn't like the picture" on them. The boy said he had given four or five \$20 bills to persons he thought "needed the money." \$169 of the \$600 taken was recovered from the children.

Visiting Evangelist Talks on Work at Rotary Luncheon

Rev. Bayne Driskill talked Tuesday at the Rotary Club luncheon, giving an outline of his work as a visiting evangelist in the Christian Church.

During the past 2½ years, 9,088 additions have been made in 124 churches under the direction of his campaigns, or an average of 47 persons per church.

Mr. Driskill explained briefly his plan. For three months before the campaign opens, the church is called upon for definite action toward a determined goal. The plan of Jesus in sending out local members in pairs is practiced with salesmanship in their visits.

Men are not in the churches today because of timidity; procrastination; or holding onto some old sin which they do not wish to give up.

Prayer must be directed toward a definite goal. The church is the biggest business in the world today, and must be conducted as a business institution. Prospects for church membership must be called upon, the same as business calls on prospects.

The visiting minister briefly reviewed the excuses given by men for not joining local churches, and explained the methods of overcoming these excuses. People want to become Christians; to be members of a church; but they must receive personal invitations to join the church of their choice.

Rev. Win Matsler presented the speaker.

Visitors were: Dr. A. M. Meyer, Jack Higginbottom, W. F. Perkins, J. Frances Brown, V. E. Geusemer, Leon W. Dupuy, all of Amarillo; Norman E. Moore of Hereford; Walter Hanna of Avon, N. Y.; J. A. McLain of Pampa; Lt. B. S. McCabe of Wheatland, Kansas; James H. Shannon of Key Hope, Ill.; Chas. W. Sanders of Ft. Collins, Colo.; Dr. Kidde of Denver; and Wendell Cain of Canyon.

Pink and Blue Shower Honors Mrs. Carroll

In the home of Mrs. T. L. Devin on February 15, Mrs. Waylon R. Carroll was honored with a pink and blue shower. Assisting Mrs. Devin as co-hostess was Mrs. A. M. Cunningham.

Covering the table was a white Irish linen cloth centered with a pink azalea plant complimented with a stork tied in pink and blue ribbon. The table was set with china and silver with Mrs. A. M. Cunningham pouring.

Several musical selections were played by Miss Nancy Bolton and a duet selection, "Brahm's Lullaby," was sung by Misses Frances and Janelle Cunningham.

Those present were: Mesdames A. K. Goodman, Zula Uesery, Isabel Cousins, Doris Gillham, A. M. Cunningham, Jack Powell of Seminole, Ray Schultz, Sue Cristy, Anita O'Donald, Ed Williams, T. L. Devin, and Misses Nancy Bolton, Frances and Janelle Cunningham.

Those sending gifts were Miss Elva Fronabarger, Mrs. Ed Harrell, Miss Alice Payne, Mrs. C. A. Pruitt, and Mrs. Leatha Lehnick.

ZITA H. D. CLUB MET IN JAMES JENNINGS' HOME

The Zita Home Demonstration Club met in the home of Mrs. James Jennings on February 12. Mrs. Emil Olsen presided at a short business meeting. The group decided to study tailored sewing. A council report was read and accepted with a recommendation that form business and management be studied.

Miss Lou Ella Patterson demonstrated the baking of quick yeast bread.

Refreshments were served to guests, Mr. and Mrs. D. C. McCormick, Hilda Albers and Miss Patterson, and to members, Mesdames Wayland Angel, Forrest Gruner, B. E. McCormick, E. A. Michael, Emil Olsen, Arthur Olsen, Don Olsen, H. D. Rose, Marshall Rockwell, Sr., Ralph Ruthart, Glenn Truax, and the hostess.

ST. ANN'S ALTAR SOCIETY FORMED; OFFICERS ELECTED

The first meeting of the St. Ann's Altar Society was held January 29 at the Rectory in Canyon.

Officers were elected as follows: president, Mrs. A. H. Simon; vice-president, Mrs. John Dietz; secretary-treasurer, Mrs. Joe Gidden.

Monthly meetings will be held the second Tuesday of each month.

We have good bargains in used refrigerators, gas stoves and washing machines. Use our easy pay plan. Western Auto.

MOTHER-IN-LAW CLUB MET IN MRS. G. B. BOURLAND HOME

The Mother-in-Law Club met Thursday, February 14, in the home of Mrs. G. B. Bourland with Mrs. J. C. Curb, Mae Johnson, and Mrs. Mary Burtz as co-hostesses.

President Mrs. G. B. Combs presided at the business session. Mrs. E. C. Penick gave the opening prayer, and Mrs. R. E. Foster led the group singing.

A book was voted as a gift to the Veteran's Library. Plans were made for members to attend the Mother-in-Law National Convention to be held in Amarillo, March 6, convening at 9:30 o'clock in the auditorium of the Polk Street Methodist Church. Lunch will be served at 12:30. Installation tea for the national officers will be held at 2:30 o'clock. Mrs. Rae Walters was appointed chairman for Mother-in-Law Day.

Mrs. Walters, program chairman, entertained with Valentine games and contests.

Mrs. Fred Marshall gave "History of Valentine Days from Early Roman History to Present Day" and read "Mr. Valentine."

One new member, Mrs. H. C. Long, was enrolled.

Refreshments of cherry pie, ice cream and coffee were served to two guests, Mrs. Lewis and Miss

Shepherd, and to the following members, Mesdames Pitt, Long, Hawes, Steen, Walters, Moore, Foster, Brown, McDaniels, Marshall, Myers, Penick, Stratton, Frieze, Curb, Combs, Croson, Fain, Gentry, Rose, Sparks, Johnson, Burtz, and the hostess.

Next meeting will be with Mrs. J. B. Bourn, March 13, with Mrs. Fred Marshall, G. B. Combs, N. A. Croson, and T. T. Fain as co-hostesses. Special guests to this meeting will be members of the Amarillo Mother-in-Law Club.

Robert Lovett, Defense Secretary, is taking the wraps off the new, official excuse for the slow rate of production of arms. Slow motion is all part of a plan to assure the country that the weapons incorporate all of the very latest scientific discoveries.

Gen. Dwight Eisenhower is deep in trouble with his efforts to create a European army and is not going to be able to come back to U. S. as soon as his friends had expected.

"Man was just as intelligent 10,000 years ago as he is today," says an anthropologist. It is humiliating to think that we are descendants of so dumb a progenitor.

LOU LESTER CLUB MET IN MRS. MARGARET COLE HOME

The Lou Lester Club met in the home of Mrs. Margaret Cole on Valentine evening. Potted plants and cut flowers were the main attraction in the entertaining rooms.

Valentine games and contests were the main features of the evening.

The serving table was covered with a lace cloth and refreshments with heart shaped features were served from crystal and silver.

Those present were: Mesdames N. E. McIntire, and Clyde McElroy, guests, and members, Miss Vera Crawford, Mesdames O. L. Coleman, Ernest Brown, H. E. Campbell, Ed Gerald, Lee Johnson, Frank R. Phillips, and Nina White.

RELICS OF THE PAST

The department of agriculture has turned out a color film showing steaks and roasts. Another historical documentary, eh?

Firemen Called Twice Monday

Fears of a large destructive fire was felt again early this week. By noon Monday the fire siren had summoned volunteer firemen two times. In both instances the fires were of a minor nature but with the high wind which prevailed Monday either or both fires could have easily got out of hand, but for prompt action on the part of the fire department.

About 11 o'clock Monday morning there was a trash and grass fire at 2710 Fourth Avenue. Authorities did not know the origin of the fire which burned from approximately two-thirds of a vacant lot. The other fire was started from a trash burning receptacle behind The News building. Only a few minutes were required to extinguish the burning papers that had blown from the receptacle.

Wesley, Mr. and Mrs. Charles Wesley, and Charlene and Ronnie.

Mrs. Alvin Wesley, who had been staying at the home of her son, Wayne Wesley, and caring for her new granddaughter, Debra Kaleen, returned home Sunday, February 3.

Delbert Wesley of the Air Force, who is stationed near Amarillo, visited his brother, Darrell, and father, Alvin Wesley, Saturday night.

Mrs. Ira Burrus visited Monday afternoon in the G. E. Wesley home.

Those enjoying "88" in the G. E. Wesley home Monday evening were Mr. and Mrs. J. W. Wesley, Vesta Amerson, Mr. and Mrs. H. H. Shipman, Nan Earley and Gene.

Mrs. E. W. Schaeffer was able to be brought home from the hospital Sunday. Jannis Shipman was brought home Monday.

Mr. and Mrs. J. W. Wesley, and Mr. and Mrs. G. E. Wesley left home enroute to Temple February 9th where G. E. Wesley went through the Clinic at Scott and White Hospital. They returned home Wednesday, February 13.

Neighbors of G. E. Wesley have been busy burning cattle that died with anthrax. So far six have died.

Kenton Wesley and a buddy from Amarillo Air Force Base visited with Kenton's parents, Mr. and Mrs. Alvin Wesley, over the week-end.

Mrs. J. W. Wesley, Mrs. Lavern Cagle and Miss Lavenia Amerson surprised Vesta Amerson with a birthday dinner February 17.

A bountiful dinner was served Sunday to Mr. and Mrs. Coye Elkins; Mr. and Mrs. Dean Cagle and Lynda of Tulsa; Mr. and Mrs. G. E. Wesley; Tom Rogers, and Mrs. Serena Bryan; Mr. and Mrs. O. J. Read and James; Mr. and Mrs. Richard Evans; Mr. and Mrs. H. H. Shipman, Nan Earley and Gene; Brother and Mrs. Fred Tedrick, Patty and Tony.

Joyce Gazzaway of St. Anthony's nursing school in Amarillo visited her parents over the week-end.

A large crowd attended the Randall County Singing at Fairview Sunday afternoon.

Mrs. Harley Burrus of Canyon visited in the G. E. Wesley home Sunday afternoon.

Mrs. Georgia Rogers entertained the Home Demonstration Club Friday afternoon. The finance committee decided to have a "42" tournament beginning Saturday evening, February 23. Everyone is urged to attend this get-together. It will run four Saturday nights. Refreshments will be served by hostesses each Saturday night. Please come.

G. E. Wesley will leave Friday to go back to Temple where he expects to enter the clinic Saturday, and the doctors plan to operate on him Monday. Mrs. G. E. Wesley, J. W. Wesley, Miss Lavenia Amerson, and Mrs. H. H. Shipman will accompany him.

Everyone is up and around after a siege of flu the past three weeks.

We were glad to welcome seven new members at Sunday School Sunday.

Mrs. Ira Burrus was ill Sunday afternoon.

Mrs. Annie Read spent the past week in New Mexico vacationing with her sister, Mrs. Vinie Cox. She returned home Friday.

Story of Flies and Damage Being Done By Annoying Insects

This is a story about flies, told by a man who despises them for the disease they spread.

"Flies are one of the few species of life which does absolutely no good on this earth," State Health Officer Geo. W. Cox charges. "Other insects are annoying, but they earn their existence by pollinating plants or by feeding on less desirable forms of life. But not flies."

He says the black swarming insects have but one saving grace: their short lives. A fly reaching maturity in the spring won't live to annoy autumn picnickers. One reaching adulthood in the fall might make it through the winter, but by spring he'll be aged and feeble, too old to pester folks out to witness the wonders of the fresh new season.

But during its lifespan, Dr. Cox says, a fly is extremely prolific. If a single pair begin their family in April, and if all their progeny live, there would be countless millions by fall.

"That's no pipe dream," the doctor said. "It's based on the most accurate entomological evidence."

In case you have ever wondered how far a fly can fly, Dr. Cox has the answer to that one, too. He says entomologists have found an energetic one can cover up to 15 miles in one day without the aid of wind currents. How did they find out?

They trapped one, fed him radioactive phosphorous and set him loose. Retrapped, experimenters used a Geiger counter to make the identification. He was 15 miles from the starting point.

There's only one answer to the fly problem in Texas, Dr. Cox believes. He says cleanliness, using chemical science as a tool, will keep them under control.

"And start now," he advises. "This weather is ideal for fly breeding."

He doesn't like flies at all.

B AND D TRACTOR COMPANY

FERGUSON TRACTOR — SALES AND SERVICE
Repairs on Ford, Ferguson & Ferguson Diggers
and Dettman
Located at 642 East 2nd — Hereford, Texas
Phone 1053

They might be termed "A partner with the Farmers," as they are ready at all times to help anyone with their farm equipment problems. If it's the repairing of the old equipment or the purchase of the new, you will find the B & D Tractor Co. at your service in a way to merit your patronage in the future. Their "Motto is Service and Satisfaction" for their customers. Everything in farm equipment available will be found here, and at prices that are within reach of everyone.

If you are in the market for the New Holland or Ferguson Tractor,

you cannot do better than to see the B and D Tractor Company in Hereford. Their machinery of today is built for durability and economical service that is excellent.

They maintain a department for all kinds of repair work on farm implements, where they employ factory trained men. In this business review it is a great pleasure in complimenting them on the quality of equipment they have chosen to offer the public. With the rapid development of the country, their service daily becomes more necessary to the farmers of this section.

Deaf Smith County Electric Co-Op

Serving Deaf Smith and Adjoining Counties
Located on East 1st, Hereford, Texas
Phone 166

As one of the leading establishments of its kind in this section of the country, the Deaf Smith County Electric Co-Op has been a dominating element in the progress of the community. Being one of the first to realize the importance of electric service, it is a greater convenience to the isolated residents and those living in the small community home is given the same satisfactory convenience as the city dweller.

Since REA really does not give anyone electricity, it furnishes individual localities the necessary funds to make it possible for that locality to serve itself with electricity.

The people of each vicinity organize and form a cooperative organization then request a loan from REA for constructing lines in their respective area. Every person receiving electricity from the CO-OP

is a member-owner of the CO-OP. Many farmers have realized the added profits their service makes possible for them as well as raising their living standard and making their farm living more pleasant and enjoyable.

In this community as well as others the Deaf Smith County Electric Co-Op has made its mark in the progress of this entire section of the state. There is no reason why the farm home of today cannot be as modern and beautifully equipped with modern electric equipment, that is enjoyed by her city sister.

With the ever-growing demand for electric services, the Deaf Smith County Electric Co-Op is gaining in popularity, because of the excellent services they render along these lines. The people of Randall, and other areas can justly be proud of their Deaf Smith County Electric Co-Op service.

Walker Refrigeration Service

A Complete Stock of Electrical Equipment—Arrigation and Wiring Service; Residential, Commercial, Industrial
Everything Electrical For the Farm
Located at 305 East 3rd — Hereford, Texas
Phone 402

The Walker Refrigeration Service in Hereford is a well known establishment for service on Electrical Appliances and quality workmanship has gained for them throughout the surrounding territory. The prosperity of the city is greatly increased by the extent of their trade which extends for miles around in their chosen field of endeavor and brings new people to the community.

Through the extended trade channels of this active firm many dollars are brought into this section. This well known establishment started its business career upon a solid foundation, knowing that success in this advancing business could only be fully gained by selling quality products upon a fair margin of profit.

Fair, honest business methods at

all times and individual service to every patron has brought them trade which has extended in every direction. They have always been consistent boosters for all things, adding to the growth and prosperity of the community at all times. From this firm the people in this section of the country receive their supplies.

Each man in charge of this establishment is one who has complete knowledge of this business from a buying and selling standpoint alike. In this community as well as others the Walker Refrigeration Service has made its mark in the progress of this section of the state, and there is no reason why the farm home of today cannot be as modern and beautifully equipped with their modern electric equipment, that is enjoyed by her city sister.

Campbell Laundry And Dry Cleaners

For The Finest In Laundry And Dry Cleaning
Prompt Service at Moderate Prices
Located at 133 Bennett St. — Hereford, Texas
Phone 1814

Their Services are in great demand for this laundry firm knows the business from A to Z and employs expert workmen, using soft water throughout the entire process. The latest cleaning and renovating machinery in their plant makes it possible for them to turn out the work that not only washes out the dirt but handles the most delicate fabrics as carefully as they would be handled in your own home.

Meeting with instant and almost universal approval, the laundry work of this firm is going to all parts of the country. There is not an establishment more worthy of extended mention than this well known laundry.

They have in this laundry all of the latest necessary machinery for the production of dependable laundry service, which has met with instant approval by all who have had work done by them in the past.

It is a pleasure for us to point out this foremost laundry as one of the leading enterprises of this section of the state, and to say that it has been fair and honest as well as progressive and up-to-date, and they have won for themselves the reputation of being the leading concern engaged in their special field of endeavor. It is to your advantage to transact business with them.

BEAUTY MART

COMPLETE BEAUTY SERVICE
Permanent—Facials and Hair Tinting—Styled Hair Cutting
Personalized Hair Styling by Skilled Operators
Located at 219 North Main Street — Hereford, Texas
Phone 3

The Beauty Mart is a worthy contribution to the art of vanity as they combine modern science with all the secrets handed down through the ages that have contributed to the beauty of lovely women. It is one of the modernly equipped establishments in Hereford.

They have all the late improved electrical appliances to take care of all phases of beauty culture. This is all fine equipment and is of the very latest pattern. Complete sanitation in all its phases has been provided for. Their interior appearance is immaculately clean, and they use the greatest care at all times.

Beauty Mart will put in natural appearing waves which will last, and the work is done by artists who are careful that each hair is in place, but not so slow as to make the process of getting a permanent wave tedious and tiresome. They can give a beautiful wave in a very short time.

The Beauty Mart has acquired a large and deserving popularity with ladies throughout this entire section, and women who pride themselves on their appearance are discovering that this is a careful and reliable beauty parlor, and in gatherings of fashionable women, the name of Beauty Mart is often heard.

HEREFORD WRECKING COMPANY

We Buy Wrecked and Burned Cars
24 HOUR WRECKER SERVICE
O. H. Culpepper, Owner
Located at 709 East 1st St., Hereford, Texas
Phone 320

There is a twentieth century establishment under the able direction of men who have always had at heart the best interests of the community which their valued enterprises are located, and one of the firms that keeps the wheels of progress turning in the right direction.

We are experiencing and bringing fame and advertising to this section through the general excellence of their services.

The general purpose of this edition is to give both the local and outside world an adequate idea of our progress and the general excellence of our various services. We deem it quite appropriate to devote this space to this well-known firm.

The men who originated this enterprise obtained a very liberal education in the school of experience and supplemented it with a keen insight into the business and with this desirable information they equipped themselves to render a service unexcelled.

The able management of this concern has constantly adhered to a "Square deal to all" policy of giving the maximum quality of good service consistent with safe and sound business.

Through their straight-forward dealings with the public the management has made many friends for the company and they have always taken an active interest in their fellowmen, realizing that a concern which is not progressive will wither and die because of its environment.

J. C. PENNEY CO.

Located at 313 North Main Street
Hereford's Largest and Most Complete Department Store
313 N. Main St. — Hereford, Texas

J. C. Penney Company's location here has given the residents of Hereford a shopping center where they may secure superior merchandise and excellent service at a great savings. Here is a complete department store, where the stock of each department consists of new and up-to-date in quality and design.

Many different lines of merchandise displayed for the convenience of the customer to secure most of the items on their shopping list without having to waste time shopping from one store to another.

In the men and boy's department it makes no difference as to what the items may be, their stock is up-to-the-minute. Here you will find shirts, clothing, ties, hats, socks, under garments and other items in the best quality, latest styles and developed shades of the day.

All merchandise that you would expect to find in an up-to-date furnishings store of the metropolitan cities. The same is true of the ladies department, where there is made a specialty of catering to those of moderate means who wish to dress in the modern and distinctive manner that present day business and social activities demand.

For the home seamstress, a complete line of piece goods in almost anything in the way of fabrics and colors that you can ask for, is furnished at J. C. Penney's.

We could write many columns about this well conducted establishment, but suffice to say that the Manager has been able to render a service to the people in this line that is distinctly satisfactory.

T. C. Covington Sand And Gravel

Complete Service On Quality Sand and Gravel

Located at 405 West 1st — Hereford, Texas

G. M. Covington-Prop.

Did it ever occur to you why an architect or a construction engineer always specified that the sand, gravel and washed sand shall come from the plant of a reliable dealer in these commodities? It is because each material that enters into good construction should be of a kind and quality that by test is proven to be the best.

To the average person, sand is sand and gravel is gravel, but it is of the utmost importance to a construction job of any kind to know just what particular grade it is proper to use to insure the best results.

T. C. Covington has gained an enviable reputation throughout the state as a reliable dealer in sand and gravel for every purpose.

Contractors and the public in general should exercise great care and use only the very best products for, while sand and gravel are not of major consequences as regards to cost, they become important as a base for the project they enter into.

Real estate problems are greatly aided by the grading of roads and driveways, particularly since the coming of the motor car, for the property that is not provided with an all-weather outlet makes a very poor appearance to a prospective purchaser.

state as a reliable dealer in sand and gravel for every purpose.

HEREFORD CREAMERY

We Pay Highest Prices For Your High Quality Cream
And Churning Cream

Located at 230 East 3rd Street — Hereford, Texas

Phone 680

The Hereford Creamery is proud to be a part of the community, and they have fulfilled a great need in the business life of this section of the state. The Dairy Business is one that holds the interest of the people all the year around. It is fast becoming the foremost firm in this section, striving at all times to make a better market for your dairy products.

In trading with this firm you are helping yourself by using your own products, helping build a better community, and further increasing

the buying power of local people. Their dairy products and dairy farms in the area excel all others in Texas. The Hereford Creamery has always shown a progressive spirit and have done their share in making this section a better and more prosperous one in which to live.

In making this review, we wish to compliment them upon the fine service they are furnishing, and to say that it greatly aids in the building up of the community.

SUIT'S AUTO SUPPLY COMPANY

—Wholesale—

Automotive And Tractor Parts, Accessories

Located at 208 North Main St. — Hereford, Texas

Phone 67

Their stock is made up of the very best line of auto parts. It is one of the principles upon which the business has been built that auto parts sold by them must be the kind with which the customer will be thoroughly pleased. Keeping this in mind, they have filled their shelves to overflowing with auto parts and supplies for all model cars and trucks.

They carry a stock of auto parts so complete that you can order the most with the best there is to be had in the auto parts line. Anywhere you turn in the large, commodious store in which they do business you will find an almost endless supply of the auto parts you are going to want whenever you want auto parts.

give you the quickest and most efficient service in filling the every need of their many patrons.

Suit's Auto is in the hands of men who not only know the auto parts business from A to Z, but also know the needs of their patrons and endeavor to supply these needs. They are men you will be pleased to deal with. They are men who have made their way in the business world by hard work, square dealings and careful attention to the needs of those with whom they deal.

They have proven loyal to all things which promote the best interest of the community, and their past reputation is your guarantee for the future. We are more than glad to give them extended mention in this business review of

Heating System For Basementless Houses Outlined

CLEVELAND — Because copper, steel and other metal shortages may exist for an indefinite period of time, many home builders are turning to a new system of duct heating for basementless homes, an organization known as the Sanitary Engineering Committee reports.

Vitrified clay pipe, which is a non-critical material, is used as the ducts to distribute warm air. This heating method economically combines the favorable factors of radiant heat with forced warm air perimeter heating.

Eight-inch vitrified clay pipe, cemented together in three-foot lengths, is fanned out radially from an inexpensive warm air furnace. The pipe is laid directly in a trench in the aggregate for the concrete floor slab. Under the floor slab are several layers of graded, crushed rock and sand, which, when dry, give a firm, well-insulated foundation for the floor slab. The concrete is then poured right over the vitrified clay pipe and leveled off with just a thin 3/4-inch layer over the pipe.

The vitrified clay pipe has a high heat conductivity, about twice that for concrete. This permits the clay pipe to conduct heat efficiently from the warm air to the concrete. Because of the density of clay pipe and its proximity to the floor above, the heat is evened out in its flow so as to provide the greatest warmth where it is needed at the cold floor surface.

When a basementless house is built on low land where the water table is near the surface, the builder lays a foundation of crushed stone and sand, on which to place the membrane under the heating pipe.

Then, to make sure that melting snow and spring rains won't bring water up to the bottom of the floor slab of the house, he lays loosely jointed vitrified clay French drains in a trench all around the house. This serves to conduct water away from the slab, and the ultimate effect is to save on fuel and provide winter comfort at low cost.

Like many other developments which have come about through necessity, the use of warm air heating with clay pipe, proves the answer to many a potential home owner's problem. No longer do builders have to wait for critical materials.

Someone Found Christmas Spirit in Past Season

COLUMBUS, Ohio—Maybe it was the Christmas spirit. An "honest borrower" returned \$15 "borrowed" last summer from a Columbus contractor who knew nothing of the loan. It came with an unsigned Christmas card.

The note read: "One night in a grill you had a pocket full of money. I needed some bad to pay some bills. I took the money out of your billfold. Lots of people would keep it. You probably never missed the money, but I send it back to you."

Foreign Reporter Detained As 'Suspect' in Robbery

MILWAUKEE—A visiting newspaper reporter for a Swedish paper in America to study the working habits of the American press, turned up with some good copy for his paper, the Stockholm Expressen, when local police picked him up as a "suspect" in a theater robbery.

The reporter, oddly enough, was on his way to a police party when he was picked up. Police apologized.

It all began when Miss Betty Steinrock gave police a description of the man who fled with \$93 after handing her a note reading, "this is a stickup." The description of "young, slender, good looking, about 150 pounds, grey suit," fitted Inge Dahlin, the Swede, to a fine T.

"Have you been on Washington Ave.?" one of the officers in a squad car asked Dahlin. When he replied that he had, he was taken in. Miss Steinrock said he wasn't the man.

The real robber, who admitted the theft, was captured shortly after and Dahlin wrote the story for his paper, "A wonderful story," he said.

Snug in his foxhole, Private First Class Flett slept.

For three hours the Reds blasted away, and the Marines blasted back. Within 100 yards of his foxhole, a fierce hand-to-hand struggle swayed.

Private First Class Flett slept serenely through it all.

Next morning he awoke, gazed with astonishment upon a counted heap of 112 enemy bodies.

"It's embarrassing," he gulped, "to have to ask your buddies what happened."

NEILL BODY SHOP

COMPLETE BODY & PAINTING SERVICE

All Traces of Damage Removed by Skilled Experts

Wrecks Rebuilt—Wrecks Bought

Expert Repair Shop For Insured Cars

Located at 128 Schley — Hereford, Texas

Phone 1392

In these days of heavy traffic and fast travel, it is practically impossible to avoid all accidents. Since this statement is very true, it is a fact beyond a question that a modern body shop such as the one operated by Neill Body Shop is a great asset to any community.

Their body and fender men are experts when it comes to rebuilding your wrecked car, and getting them back to their original style in the shortest time possible in order not to hamper you by keeping them for several days.

These are some of the reasons that Neill Body Shop is the place

to go with your wrecked cars. You may have just a small scratch or a bent fender or a car that seems almost entirely ruined.

No matter how little or how large the damage may be these men fix it in such a way that it will look as though the car had never had a blemish on it. The work of this body shop has caused no little comment, as they have made many of the cars in this section which looked like total wrecks new again.

It will pay you well to call at this firm, and have them give you estimates on the rebuilding of your wrecked car.

HEREFORD BUTANE COMPANY

Distributor of Butane and Propane Gas for Refrigerators,

Ranges, Furnaces, and Water Heaters

Bottle and Tank Equipment

Located at South East of Hereford, Texas

Phone 1300

No review of the business, agricultural, and industrial interests of this section of the state would be complete without prominent mention of this well known firm, which adds in no little measure to the progress and prosperity of this part of the state.

They have wide experience in every feature of the business and because of their comprehensive knowledge of every branch of the trade, this establishment has continued to witness an increase in the number of their patrons. They deal on a large scale and their activity is conducive to the progress and expansion of the community in no small degree.

It is important in the return to normalcy that we have conscientious firms like the foremost company which aids in the reduction of prices of living for the people. There are no more public spirited citizens in the community than the management of this concern and we direct your attention to this business institution of the community as one of the reliable establishments which has added to the development and progress of the state.

In making this review, we wish to compliment them upon the management in which the business is operated and upon their progressive and public spirited policies.

PALO DURO PAINT & BODY SHOP

Complete Repair Service on All Makes of Cars and Trucks

Expert Mechanics—General Overhauling

Located on Hi-Way 60 & Funston — Hereford, Texas

Phone 1460

They are equipped to handle any major overhaul with speed and accuracy. You will be ahead if you take your car troubles to this reliable firm. Complete equipment, efficient and courteous mechanics, and an understanding with an experienced management combine to assure you of top service.

You will be pleased with the straight-forward treatment that is accorded you whether the job be large or small. This is what the management of this firm insists upon in all their dealings with the public, and the policy has paid dividends as is evidenced by their thriving business.

The constant speed of automo-

tive transportation demands that your car at all times be maintained in top condition. This can only be accomplished by the utilization of the facilities of a firm using the most up-to-date equipment.

The people of this area have found it pays to have their automotive repairs done by these experts. We take pride in pointing out this concern and heartily recommend our readers to discover for themselves the real convenience and satisfaction in automotive service offered by this reliable firm.

DEAF SMITH COUNTY HOSPITAL

Complete Hospital Facilities

Located at 801 East 3rd — Hereford, Texas

Phone 660

This is one of our best institutions and is fully worthy of extended mention in this business review of Randall and Deaf Smith Counties. They have provided one of the best equipped hospitals in this section, which they furnish their patients. They have on hand at all times, nurses and doctors who have spent years of study to secure their experience in this great humanitarian profession.

It is appointed most excellently; the ventilating and lighting arrangements are the best that can be secured, and all sanitary precautions are taken for the health of patients. The entire hospital is equipped with modern fixtures, and comfortable hospital beds in well-lighted wards which are kept clean at all times.

A most complete surgical department for the efficient, expeditious handling of operations, is located in the Deaf Smith County Hospital. The facilities afforded by Deaf Smith County Hospital are up-to-date in every way, and this hospital notably features complete laboratories, where a test is made for each patient who comes into the hospital.

A well merited tribute to their efficient methods is the high degree of general satisfaction expressed by the people who have been patients at this Hospital. We wish to call the attention of our readers of this business review to the excellent service of this institution and to extend congratulations to them upon the position they hold in the business world.

FULLWOOD ELECTRIC, Inc.

RADIO SERVICE On All Makes

Home and Car Sales and Service

Zenith and Motorola

Located at 232 West 3rd St. — Hereford, Texas

Phone 20

The radio, which has become an indispensable service, has mechanisms that are as delicate as that of a watch, thus the occupation of the servicing a radio is one that is highly specialized. Because to get the utmost and best performance from a radio, it is well to have it given an occasional check-up by an expert, who has the knowledge and training to adjust every part perfectly.

The Radio Service of this firm maintains a modern and up-to-date establishment where the best parts for your radio may be had, also the latest scientific devices for

detect anything that may need replacement or adjustment.

TASTY DRIVE INN

Finest in steaks, chicken and delicious sandwiches
CURB SERVICE IN YOUR CAR
Located at 632 West 1st Street — Hereford, Texas

The people from all over this part of the state, the tourists and visitors, all with acclaim have pronounced the Tasty Drive Inn as one of the finest light luncheons to be found anywhere. It's a common expression to hear "Meet me at the Tasty Drive Inn."

It is attractively furnished and tastily decorated which makes it a most cheerful place, and here amidst comfortable surroundings one of the most courteous services if afforded the public. Whether at noon, luncheon, or dinner, you will find all the satisfaction of good service and high quality of food and drinks that will please the most jaded appetite.

Finest quality and service is their watchword, and to see that only quality food, and the best service is offered. It is appointed most excellently; the ventilating and lighting arrangements are the best that can be secured, and all sanitary precautions are taken for the health of the people.

Here, amidst comfortable surroundings, you enjoy food and drinks while the service is rapid for those desiring it, yet there is no indication of hurry and you are given all the time desired.

In this business review we are more than glad to give them extended mention, and are glad to recommend their service to all our readers.

WESTERN WHEEL INN

"The Home of Regular Meals, Short Orders, and Delicious Fried Chicken Dinners"
"HEREFORD'S Leading Restaurant"
Mr. and Mrs. O. E. Sherman, Owners
Located at 628 West 1st—Hereford, Texas
Phone 1158

The Western Wheel Inn sees that the people of this section are not only given the choicest of foods, but the latest dishes of the day and that the best of service is always given, regardless of the size of the order. It has provided the very latest equipment in the kitchen and everything is in the best condition and appetizing when served to the guests.

They are careful cooks, and buyers, while the attendants are courteous and accommodating and render the public a service that is unexcelled. A quiet air of refinement pervades in the place and this accounts for the large patronage from all classes of people.

This makes this concern very popular and has brought travelers and people from the surrounding countryside to recognize this as one of their truly favorite eating places.

The fact that everyone leaves with a smile is an indication of the satisfaction obtained from pure food and good accommodating service. It is appointed most excellently, the ventilating and lighting arrangements are the best that money can buy.

The Western Wheel Inn is noted for its service and chicken dinners. In this business review we are glad to recommend them to all of our readers.

Hereford Farm Equipment Co., Inc.

"FINEST IN FARM MACHINERY"
Baldwin Gleaner Self Propelled—14 Foot
Low Center of Gravity—Rugged Steel Frame—Direct feed into
Cylinder—Quality—Simplicity—Performance
NEW HOLLAND—FORD TRACTORS
Located at 209 North Miles Ave. — Hereford, Texas
Phone 68

In this entire section of the state, there is not an establishment that surpasses the one of Hereford Farm Equipment Co., Inc. in point of service for the farmers. For many years this widely known firm has provided them with a supply of farm implements that are the best to be had in the implements line.

Many years of experience back of them put them in a position to give advice in the selection of the implements most advantageous to the farmer's particular needs. The Hereford Farm Equipment Co., Inc. represents the most dependable quality, the most scientific construction and the greatest all-around efficiency.

To complete their service to the farmer, Hereford Farm Equipment Company maintains a department for all kinds of repair work on farm implements, where they employ only factory trained men, who are able to take care of any repair work in the most scientific manner. Bring your repair troubles to them and they will clear them up in record time.

In so far as the Baldwin Gleaner, Ford Tractors, and the Hereford Farm Equipment Co. is concerned, it needs no comment at all, for every farmer in the entire country knows their line, that it represents the most dependable quality, and the most scientific construction of machinery.

LOERWALD BROTHERS

DEPENDABLE MACHINE SHOP SERVICE
Expert Welding Service — Shop and Field Work — Acetylene
Electrical Steel Fabrication
and Blacksmithing
Located at 231 West 2nd — Hereford

The Loerwald Bros. Welding Service is a vital element in the industrial progress of the state, for the services rendered is of great convenience to farmers, contractors, manufacturers, garage men. Many times a part can be made or repaired in much less time than a new part may be obtained, thus saving many dollars annually.

They have the very latest machine shop equipment to be found anywhere, which enables them to execute all classes of work with promptness and dispatch, regardless of the size of the job.

The shop is convenient for people of the surrounding territory, and on a visit you will find every-

thing no less than made to order for the enterprise, and to please you will instantly become the dominating purpose of their entire organization which is recognized as mechanical headquarters for this entire section of the state.

They also have Portable Welding Equipment to do any job anywhere within reason. Just call 393 or write and they will be glad to offer suggestions that may prove of real satisfaction to you.

We are more than glad in this review to call the attention of the people to this ever popular shop, and to say that they are civic leaders and up-to-date in their methods, and are deserving of the undivided support of the people of this section of the state.

HEREFORD MOTOR COMPANY Inc.

West Tex Feed-Seed and Hatchery Co.

"Home of Good Feeds and Seeds For All Your Needs"
Retail Dealers in Feeds For Livestock and Poultry
We Buy Produce
Located at 215 North Miles Ave. — Hereford, Texas
Phone 265

This is one of the worthwhile feed and supply houses in Hereford, rendering a most vital service in supplying the people of this section with feeds and supplies of the highest quality. Here the latest improved methods are used and workmen of long experience deliver their supplies that are meeting with such great favor with the people of this section. Only the best feeds and supplies are sold here.

Large amounts of money could be saved by substitution, but this establishment adheres to the best standard of service and excellence that is possible to reach. Through their strict application this concern

has built up a large business in this field, and numbers among their customers a majority of the leading farmers throughout the surrounding territory, and in their dealings with the public a spirit of fair treatment is so evident that it has well become a hard and fast rule, "Once a customer always a customer."

The West Tex Feed-Seed and Hatchery Company has had wide experience and are considered authorities upon all matters pertaining to the growth and production of healthy baby chicks. All Farmers and Poultry raisers are always welcome to visit the West Tex Feed-Seed and Hatchery Company at any time.

ROCKWELL BROTHERS & CO.

All American Approved Roofers and Water Prooferers
Dependable Roofing Service — Asphalt built-up and all types
Shingles, Roll-Roofing, and Waterproofing
Located at 104 South Main — Hereford, Texas
Phone 4

The people of Canyon and adjoining territory are extended a cordial welcome to visit the establishment of Rockwell Bros. Company and look over their different styles and colors of Roofing.

These products can be bought and installed, which may be repaid in increased business, by offering the people a service so modern and up-to-date.

This concern is under the direction of men thoroughly conversant with every feature of the business, therefore, it is not strange that it has become one of Hereford's most important commercial assets.

They have selected most artistic lines of roofing and will be glad to go over any property you may have in mind, and aid you in the

selection of design and color that will make the house attractive, both as an individual and also as a member of the community.

These roofs enhance the value of the property and if you ever want to sell, you will find that an attractive roof will make the house one to be desired. Their employees are men who most thoroughly understand the work in hand and who are careful to see that all roofing is correctly and accurately put on.

Pride of craftsmanship is the incentive that is moving this popular house to success. The fame of their attractive roofs is spreading all over this part of the state and business is coming to them from many miles around.

M AND M PLUMBING COMPANY

PLUMBING AND INSTALLATION SERVICE
Plumbing Fixtures and Heating Equipment
Youngstown Cabinets—Frigidaire Commercial Refrigeration
Located at 1310 Park Ave. — Hereford, Texas
Phone 1282

The M & M Plumbing Company has an establishment that has done its share in making this and surrounding territory more healthy and sanitary. The complex construction of the modern home compels the sanitary engineer to have as thorough knowledge of the principles of heat, water and drain circulation as the physician has of the body.

The people of this section may have just as careful attention to the plumbing system in their home, just as careful a solving of their water, heat and sewerage problems, by having their plumbing work taken care of by this well known engineer.

M & M Plumbing Company has spent their efforts in studying the plumbing problems of all types of homes and will be glad to solve

your plumbing problems for you. In solving these problems, they are rendering a great service to the community. Heating and Plumbing is an exact science that requires years of study, plus practical experience.

It is readily admitted by health experts all over the country that greater attention be paid to plumbing systems, but heating and sanitary engineers have done much to raise the general standards of health for all people; particularly those in our crowded cities.

Their scientific knowledge of the principles of plumbing coupled with the acquaintances of the plumbing work gained through long experiences, has placed this firm among the ranks of the most competent sanitary engineers and master plumbers of the country.

WITHERSPOON ELECTRIC CO.

ELECTRICAL CONTRACTORS
Residential, Commercial, Industrial And Electrical Wiring on
Irrigation Systems
Located at 333 North Main Street — Hereford, Texas
PHONE 75 or 686-W

The Witherspoon Electric Company is a well known establishment for service on Electrical Work on all Irrigation Systems. The branches of science have been so marked and have followed each other so swiftly that it takes much study and research to keep up with the latest phases of the electrical business.

This well known concern and the men who direct its affairs have made quite a study of all the problems connected with the electrical contracting service.

They are practical men in this line, having learned the business from actual work and experience, and being conversant with the laws of the state and city government, relative to electrical wiring, so that when the work is completed

it will not only be found perfectly satisfactory, but will conform to the rules of the underwriters and will be perfectly safe.

The Witherspoon Electric Company is a safe establishment with which to entrust your electrical work, no matter how large or small the job may be. In regard to electrical contracting, wiring and installations, they are in a position to take care of all work in the most competent manner.

ASSOCIATION

Teacher—"What ancient ruler was it who played on the fiddle while Rome was burning?"
 Jimmie—"Hector, ma'am."
 Teacher—"No, not Hector. Hector was no ruler, but a Trojan prince. Try again."
 Jimmie—"Then it was Duke."
 Teacher—"Duke? What do you mean, Jimmie?"
 Jimmie—"Well, then it must have been Nero. I knew it was somebody with a dog's name."

Not So Dumb

One of the greatest marksmen of the FBI was passing through a small town, and everywhere he saw evidences of the most amazing shooting. On trees, on walls and on fences there were numberless bull's eyes with the bullet hole in the absolute center. He asked to meet the person responsible for this remarkable feat. The man turned out to be the village idiot.

"This is the most wonderful marksmanship I have ever seen," said the FBI man. "How in the world do you do it?"
 "Easy as pie," replied the village idiot. "I shoot first and draw the circle afterward."

Good Advice

If you would be efficient, dear—Permit me to advise,
 Your letters would look better if You'd dot, not roll, your i's.

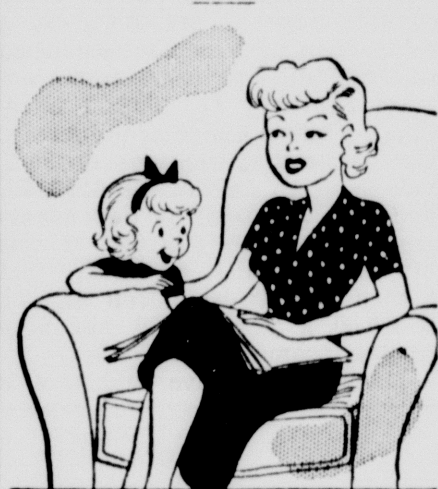

Could Be

Son: "Why do dollars have eagles on them?"
 Father: "They're symbolic of swift flight."

Marital Madcap

She talked in her sleep so he sent her home to mother.

BLESSED EVENT

"Mother," said Peggy, who had just seen a large toadstool sprouting, "do babies grow or can you buy them?"

"They grow, dear," replied Mother.

"Well," said the four-year-old, "I think there's one coming up in the backyard now."

Disillusioned

Two modern little girls coming home from Sunday school were solemnly discussing the lesson.

"Do you believe there is a devil?" asked one.

"No," replied the other promptly, "of course not. It's just like Santa Claus. He's your father."

Competent

Salesman—"These stockings are the very latest pattern, fast colors, holeproof, won't shrink, priced far lower than elsewhere and a very good yarn."

Customer—"Yes, and you tell it well."

OF THE ESSENCE

The tourist came upon a farmer in the back country holding a hog up to an apple tree while the animal munched on apples.

"Isn't that a rather slow way to feed him?" the tourist asked.

"Could be," reckoned the farmer. "But what's time to a dern old hawg?"

Hot Spot

Judge—"Why did you strike this dentist?"
 Prisoner—"Because he got on my nerves."

SAD STORY

A man who detected a piece of bark in the sausage visited a butcher's shop to know what had come of the rest of the dog. The butcher was so affected that he could give him only a part of the tale.

Brother's Right

The president of a large corporation was sitting down to dinner with his family when little Mary turned to her father and said: "Why can't we just pray once a week, Daddy? Why do we have to ask for our daily bread every day?"

Her younger brother, looking up in utter disgust: "Do you think we want stale bread?"

WILKINS SHEET METAL

Expert Sheet Metal Work—Air Conditioning and Heating
By Competent And Efficient Workmen—Service Anywhere
PROMPT AND COURTEOUS SERVICE

Located at 138 North Sampson — Hereford, Texas
Phone 94

This is one of the best known Sheet Metal Works in this section, and will give you estimates on any job, large or small. They are recognized in this section as one of the most expert sheet metal establishments in the state.

All branches of sheet metal and tin work are featured including leaders and gutters, spouting, cornices and all other specialties of the trade. When it comes to installation of heating equipment you cannot do better than to place the matter in their competent hands.

They know by experience how this work should be done scientifi-

cally, just where the furnaces should be placed to secure regular and perfect heat through all kinds of weather. They have filled many contracts over this section, in the way of public business, residence and, in fact, in all kinds of buildings that have been a great aid to the advancement and modernization of the community.

Plans, inspection and price quotations are given free to all those who desire it. Their prices are standard and compare favorably with all others anywhere. Their interest in all civic affairs is well known. No worthy organization is without their support.

ELM COURT

25 Modern Cottages—Box 343
"A HOME AWAY FROM HOME"
Located at 808 West 1st — Hereford, Texas
Phone 258

The Elm Court is one of the most popular courts, because of the service rendered this court is growing in popularity all the time. It is thoroughly equipped and up-to-date in every way, and is thoroughly air cooled. They offer their cabins at most reasonable rates.

There is no greater necessity than the modern tourist court. With the ever increasing number of travelers who, because of their business or pleasure, are forced to live away from home, the tourist court is becoming more and more a haven of rest for them. From these people, the modern court proprietor realizes the importance of furnishing clean, cool, sanitary and comfortable tourist cottages.

It is a pleasure to recommend this well known and modern court

to the strangers, as well as to the local people, and point to it with pride as being a modern court. All cottages are comfortably furnished, well ventilated, sanitary, and have all the conveniences found in the home.

Traveling men, as well as tourists, are extended a cordial invitation and invited to make the Elm Court headquarters while in the city of Hereford. You will find a haven of rest and be made to feel at home.

In making this review, we wish to compliment them upon providing such modern conveniences and rendering such a courteous service to the traveling public and suggest that you stop with them when in Hereford.

YANCEY'S SEWING CENTER

Necchi—Sews everything better without attachments
Makes buttonholes, mends, darts.
Sew-Gem Sewing Machines—Four Models to Choose From.
YANCEY'S NECCHI SEWING CIRCLE
Locted at 129 West 3rd — Hereford, Texas
Phone 1547

There is nothing that disrupts the housewife, who does her own sewing, like a machine that is out of order, but with a progressive firm such as the Yancey's Necchi Sewing Circle, which operates a specialized service for all makes of machines, no further away than your telephone, your machine may be kept in perfect order at all times. At this establishment well-trained repair men, who understand the mechanics of each and every operation, are employed within a service department, which is well equipped to repair or re-

build any make of sewing machine.

If you have an old fashioned treadle machine, this firm is also equipped to modernize it into an easily operated electrical type for a surprisingly nominal figure. When in need of repair work on your sewing machine, call the Yancey's Necchi Sewing Circle for quick and reliable service on any make or model.

We are more than glad to give them extended mention in this business review of Hereford and Deaf Smith County.

COWAN JEWELRY

Hereford's Leading Jeweler
Courteous Sales Personnel At Your Service
Watches—Diamonds—Haviland China, Syracuse China Patterns
Your Credit Jewelry Store in Hereford
Located at 335 Main Street — Hereford, Texas
Phone 34

They are leading jewelers and have continuously merited the enviable reputation acquired by reason of their reliable dealings and the high quality of jewelry they have always offered at very reasonable prices. This progressive store is complete with everything in the Jewelry or gift line, and as proof of our statement, we suggest that you visit the establishment of these popular jewelers.

Here you will find jewelry and gifts of high quality silverware, Haviland China, cut glass and suitable presents of attractive patterns for every occasion—together with courtesy and accommodation.

As regards to quality you can rest assured that whatever you may purchase will be priced at a most reasonable figure for this establishment is in charge not only of

a reliable business man, but one who has a wide experience in this field and knows the business from the ground up.

Whatever you may wish in diamonds, watches and jewelry, you will find they have provided in this fine jewelry store a choice assortment from which to make your selection.

In the watchmakers trade they are the most efficient, being thoroughly familiar with domestic watches and the imported ones as well. No matter what make of watch you desire repaired, you will find that they can do it, as well as repair all other kinds of jewelry.

We wish to compliment them upon the high standard of efficiency maintained, the superior quality of the goods handled, and the admirable manner in which this store is operated.

TAXES

Taxes are still the number one worry of the low income groups. The present personal exemptions and exemptions for dependents are not much help with prices rising on all of the necessities of life. It is the low income group that suffers most and the higher the price of necessities go, the harder the struggle for existence. I have searched the tax laws continuously for an effective means of affording some relief to those hardest hit.

My conclusion was that the quickest and most effective relief for the low income groups would be an increase in the personal and dependent exemptions. By making this change, there would be no discrimination against those in the higher income groups. In other words, the same rule would apply to all taxpayers. But the greatest relief from such increase would go to those who are in greatest need.

On February 11, 1952, I introduced a bill in Congress to increase the personal exemptions on individuals from \$600.00 to \$1000.00, and the exemptions for dependents from \$600.00 to \$750.00. If this bill is adopted, it will mean that a man with two children earning \$3500.00 a year would not have to pay income taxes.

Many people have said that it

is not fair for those people to be relieved of paying taxes. This is not a very good argument because the greatest amount of federal taxes that all of us pay are hidden taxes on commodities that we buy, and local and state taxes still have to be paid as they are assessed. Under 1948 figures, it would amount to a tax reduction of about 25% of your entire tax bill if you are in this low income group.

Passing this bill is not going to be an easy task, but I intend to do my best to get some relief so that these low income people can feed and clothe themselves and children.

Another bill that I am preparing at the present time is a bill that would permit an allowable deduction all medical and hospital fees incident to the birth of a child. Under the present tax laws and the low exemptions, a young couple is actually penalized for having children.

SOME OBJECTIONS TO WHAT THE VOICE OF AMERICA IS DOING

I have discussed the Voice of America with many people in this country and from abroad. Many of them praise it highly. However, many have some well founded objections that I think should be cured.

They tell me that too much time is devoted to telling the people about the many luxuries that we have in this country; that the people in those Iron Curtain and Russian satellite countries actually cannot conceive of any people enjoying the luxuries that we consider as necessities; that they are therefore very suspicious of these stories and doubt the truth of them.

These same people tell me that the broadcasts would be much more effective if they would talk to the people along lines that they could understand. That is, tell them more about roast beef, turnip greens, mashed potatoes, and cornbread, and less about ice cream and cake.

In talking to citizens who have come over from those countries, I gather the same story. What the people in those countries want is talk about plain common everyday food and not talk about automobiles, electric ice boxes and television sets.

ONE WAY TO GET RICH

Ex-Communist Whitaker Chambers is now publishing his book, "I Was a Witness."

This book is being carried in the Saturday Evening Post in serial story form. The estimates here are that Chambers will get \$75,000.00 from the Post for these publication rights.

It is also forecast that his book will be on the best-seller list and should net him several times the \$75,000.00. He is doing this under a system of government that he worked for many years to destroy and, by his own admissions, committed treasonable acts against.

Quite a reward for a confessed traitor. It is too bad he didn't get religion earlier. Some of the information that he had, and undoubtedly will publish, might have saved this country from the mistakes of Potsdam and Yalta.

THE BUFFALO LAKE MATTER

I am getting together a lot of facts on these Soil Conservation projects that are going to be mighty interesting. This situation may develop into a full fledged investigation, which I am sure the people of the Panhandle would welcome.

One interesting point is that Buffalo Lake has cost the government about \$350,000.00 since 1939. According to the records I have been able to get hold of to date, the government's cut out of the \$71,000.00 gross at Buffalo last year was approximately \$8,000.00.

Another record I have shows an expenditure last year by the Government of \$5,806.00 up to October 1st.

The concessionaire's contract calls for the project to be kept in good repair and fully maintained. If the government spent \$5,806.00 by October 1st last year, the chances are that they spent by the end of the year all of what they collected, and more, on the project.

This means that the government is furnishing a project that represents an investment of approximately \$350,000, and the only person making any money out of it is the concessionaire. That doesn't look like good business to me from the taxpayers' and the fishermen's standpoint.

PALO DURO-RUSK H. D. CLUB

The Palo Duro-Rusk Home Demonstration Club met with its regular in the home of Mrs. Bert Northcutt with ten members present. They were: Mesdames Ponnell, Douglas Marshall, Rodger Dugan, J. C. McClelland, Ernest Sykes, Henry Miller, E. M. Wesley, Ralph Barclay, and the hostess, Mrs. Northcutt. Five visitors were Mesdames Terry Boehning, Joe Cox, Rita, C. V. Wilkinson and Conaether.

In the business meeting \$10 was voted to be given to the March of Dimes. Members discussed and voted to accept all the council committee recommendations made for the year.

Mrs. Fred Marshall gave an interesting demonstration of the making of colorful corsages from nylon hose.

Many lovely valentines were distributed from the beautiful valentine box prepared by the hostess. Delicious refreshments, carrying

PLEASANTVIEW H. D. CLUB MET IN EARL BURTZ HOME

The Pleasantview Home Demonstration Club met in the home of Mr. and Mrs. Earl Burtz on Wednesday, February 13. Their husbands were invited. A covered dish luncheon was served at noon.

After lunch, a demonstration was given on the baking of a loaf of bread.

Those present were Mr. and Mrs. Joe Carver, Mr. and Mrs. E. L. Crammer, Mr. and Mrs. Albert Meyer, Mr. and Mrs. R. A. Hodges, Mr. and Mrs. John Jennings, Miss Lou Ella Patterson, Mesdames Henry Meyer, W. T. Reynolds, A. B. Haynes, Jr., Mr. and Mrs. Clifford Burtz, and the host and hostess, Mr. and Mrs. Earl Burtz.

SURPRISE BIRTHDAY PARTY HONORS MRS. R. RICHARDSON

In the home of Mr. and Mrs. Wilson Hicks, Mrs. Roscoe Richardson was honored with a birthday party on Wednesday evening, Feb. 13.

Those attending were Mr. and Mrs. G. L. Davis, Mr. and Mrs. E. E. O'Donald, Mr. and Mrs. C. H. Pond, Mr. and Mrs. Charles Pond, Mr. and Mrs. Charlie Howard, the honoree and husband, Mr. and Mrs. Roscoe Richardson, the host and hostess, Mr. and Mrs. Wilson Hicks.

CORRECTION

An error crept into the news story last week concerning the March of Dimes results. The Park Home Demonstration Club was given credit for \$10 which was \$5 short of its donation. The Park Home Demonstration Club gave \$15 instead of the \$10 quoted in last week's News.

Wayside News

A number from Wayside attended the District basketball tournament at Tulsa Saturday night.

The Glenn Mahler family of Beuna Vista were week-end guests in the E. J. Mahler home.

Jack Dodson spent last week-end in the Roy Dodson home.

Mr. and Mrs. Melton McGehee spent the week-end in the Myles McGehee home near Garden City, Kansas.

Mrs. Fannie Stevens is visiting relatives in Dallas.

Mrs. J. R. Stockett returned Saturday from California.

Mr. and Mrs. W. R. Franklin were dinner guests Sunday with his mother, Mrs. E. A. Franklin, in Happy.

Mr. and Mrs. Cliff Abbott of Canyon were week-end guests in the parental Roy Dodson home.

Guy Watson has lately had an irrigation well put down.

Chas. Kennedy is having an irrigation well put down.

Mrs. Floyd Adams was hostess to a Valentine party and a pink and blue shower honoring Mrs. Bill Allen. The honoree received many lovely useful gifts. Beautiful pot plants and Valentine motifs were used to decorate the house. The crowd was entertained by good music with Mrs. Guy Watson at the piano accompanied by Jimmy Adams and his violin and his brother, Leslie Adams, with his guitar.

Those present were Mesdames Robert Adams and boys, Jimmy and Leslie; Willie Modisette and Royce, Marian, and Faye; Bill Heisler and Frances; Ira Schriebe, Patsy, Nancy, and Jimmy; J. Hill and little daughter; J. W. Thomas; Bill Hill; Garnett Thomas; Jack Foster; Gordon Foster; Foy Moudy; Wiatt Heisler; B. Newby; Bill Thurman; Chas. Kennedy; Dan Adams; David Rae; J. Matthews; Guy Watson; Bill Heile; Clifford Stevens; Henry Hamblen; H. T. Duke; Bill Allen and Gary; and the hostess, Mrs. Floyd Adams.

GEORGIA ROGERS IS HOSTESS TO CENTERVIEW H. D. CLUB

The Centerview Home Demonstration Club met Friday afternoon, February 15, at 2:30 o'clock with Georgia Rogers as hostess. Vivian Myers, president, was in charge of the meeting. Roll call was answered and the minutes were read by the secretary, Madge Sutton.

Vivian Myers gave the council report. The council committee recommendations were read by Mrs. Sutton and the club members approved each of the committee's recommendations.

Ora Evans was voted as club delegate to the council to be voted for the district meeting at Pampa in April. The county is only allowed three delegates. It was voted for the secretary to pay each member's T. H. D. dues, and each member to pay the secretary 25 cents to care for this expense. Another club project of cheer and good will was to send The Canyon News to Mrs. S. F. Shorpe, a former member, at Hamilton, Texas, who has been ill.

The club also voted to take tailoring of dresses instead of advanced tailoring if the Home Demonstration Agents approve it.

Members voted to start their "42" tournament at the Fairview school house on Saturday night, February 23. This tournament will run for four consecutive Saturday nights. The club extends an invitation to everyone who enjoys the game of "42" to be present. Prizes, both high and low, will be given each Saturday evening and refreshments will be served. At the close of the tournament a grand prize will be given to the person winning the most games.

As this was the Valentine season, Annie Wesley told of the origin of Valentine's Day. An old-fashioned Valentine box was enjoyed by all present.

The next club meeting will be on March 7, the demonstration being "Buying Men's and Boy's Clothing" by the County Home Demonstration Agent.

Valentine cookies, cocoa and coffee were served to the following members: Vivian Myers, Madge Sutton, Ora Evans, Letha Patterson, Edna Wilson, Gerry and Theo Wise, Annie Wesley, Serena and Winnie Bryan, Inez Shipman, Dean Bryan, Keith Wise, and the hostess, Georgia Rogers.

News In Canyon 25 Years Ago

(Taken from the files of
The Canyon News of
February 17, 1927)

R. A. Bellah has started construction on a garage building at the southwest corner of the square which has been leased by Carl Guthridge, owner of the Canyon Chevrolet Co.

The official elevation of Canyon was given by the government as 3551.306 feet.

Congressman Marvin Jones has written that he expected the Umbarger post office to be reopened soon.

A daughter was born to Mr. and Mrs. W. J. Fleisher.

L. F. Sheffy has started a new house west of the Kleinschmidt home.

A. W. Sternberg will take over the Service Lumber Co. on Saturday. His family will move here next month.

The State Highway Commission stated that no state aid for paving would be available for counties before September.

FINESSE BRIDGE CLUB MET IN R. B. GIST, JR. HOME

The Finesse Bridge Club met in the ranch home of Mr. and Mrs. R. B. Gist, Jr., Friday evening, February 15.

High score was won by Mrs. Lee Roy Moreland; low score by Mrs. Edgar Robinson, and Mrs. Stuart Condon won deuce.

Members present were Mr. and Mrs. Cliff Milnar, Mr. and Mrs. C. E. Thompson, Mr. and Mrs. Lee Roy Moreland, Mr. and Mrs. H. R. Fulton, Mr. and Mrs. Edgar Robinson, and Mr. and Mrs. Stuart Condon; and guests, Mr. and Mrs. Lewis Henders.

Refreshments were carried out in the Valentine motif.

WEDNESDAY NIGHT DINNER CLUB MET IN BRIGHT HOME

The Wednesday Night Dinner Club met in the home of Mr. and Mrs. Houston Bright on Wednesday, February 13.

High score winners were Mrs. A. K. Knott, and Dr. R. P. Jarrett. Members present were: Mr. and Mrs. Gordon Lyons, Mr. and Mrs. Hosea Foster, Dr. and Mrs. R. P. Jarrett, Mrs. Larry Holman, Mrs. Milton Morris, Mrs. J. O. Parker, Mr. and Mrs. Houston Bright, and guests, Dr. and Mrs. A. K. Knott.

Mr. Truman backtracked on replacing J. Howard McGrath, as Attorney General, after he had offered the job to another man—former Judge Justin Miller—and had an acceptance. The political heat then built up to keep Mr. McGrath.

SHELTON TIRE EXCHANGE

Your Tire Service Headquarters For Cars, Trucks, and Tractors—

Tires — Recapping Service

Located at 303 East 1st

Hereford, Texas

Phone 122

Automobile tires are used by practically every family in the country and it is necessary to have tires that stand the "Gaff" of high speed and quick stops. This tire concern is in the hands of reliable men of the community, and they carry new and used tires known for long life.

You will find their tires all that they claim for them to be for they are absolutely dependable and reliable in every respect. Their display represents a large investment and by their rapid turnover they are able to sell at most reasonable prices. Many dollars are annually saved their patrons through furnishing them with these high grade tires and tubes.

Buy your next tires at Shelton Tire Exchange, each tire is backed by a guarantee. Stop at the Shelton Tire Exchange, and take advantage of their rapid tire service. You will be pleased with the personal interest shown every transaction, and will learn how you can enjoy many thousands of miles of trouble-free service at a reasonable cost.

We are pleased in this review of the onward progress of the community to compliment them upon the success they have merited and the public confidence they enjoy.

GILLILLAND FUNERAL HOME

"An Institution For Community Service"

Dedicated to a High Standard Of Service

Courteous Attendants—Ambulance Service

Located at 131 East 2nd St. — Hereford, Texas

Phone 951

Among the professions which have developed rapidly in the past years is that of the modern funeral directors and embalmers. Indeed the profession has reached a high degree of efficiency, and no concern has given the business more careful and painstaking attention than this well known firm.

They have become leaders in this special field of endeavor, and well merit the large patronage which they receive from this and surrounding territory.

The Gilliland Funeral Home operates a new and up-to-date Mortuary, which is indicative of the dignified service it renders during our time of deep sorrow, and upon entering this institution, one is immediately filled with a feeling of confidence in newly made friends, who are to guide your actions during your visit, or to take care of those details which at the moment are so distressing.

They have always taken an active part in the development of this part of the state, thus we cannot help but recommend them, feeling assured that they will never fall short of the high standards which are indicated in this article.

OBSERVE YOUR CONDUCT

Other than ordinary conversation, yelling, laughter, and loud talking are unnecessary on the school bus. Class room conduct should be observed. This shows courtesy to the driver and will enable a few students to revive their thoughts for the day's work.

Walking on a bus in motion is one of the worst habits a student can acquire. What if the bus had to stop instantly? What if you would land in the floor and no limit to the damage that could be done.

Here are a few of the regulations that you should be observing as a bus student:

- (1) The driver is in full charge of the bus and pupils. Pupils must obey the driver promptly and cheerfully.
- (2) Pupils must be on time; the bus cannot wait on tardy students.
- (3) Unnecessary conversation with the driver is prohibited.
- (4) The use of tobacco in the bus is not permitted.
- (5) Pupils must not, at any time, extend their arms or head out of the bus window.
- (6) Visiting pupils must get permission to ride the bus.

When riding a bus, concentrate on these simple suggestions. Sometimes it might save trouble, time, expense and even life! Let's co-operate with the driver and live! What do you say?

RED CARNATIONS SYMBOLIZE VALENTINE'S DAY AT CHS

Orchids to Mr. Wooten for the carnations!
Faculty members, secretaries, and students would like to express their appreciation to E. A. Wooten, superintendent of schools, for the red carnations on Valentine's Day. Teachers explained the unfathomable beauty lifted the soul, enlightened the spirit, and made the rooms a brighter, livelier place to enter.

A carnation was placed on the teacher's desk in every room Thursday, February 14, as a Valentine to the school.

Friendliness Will Be Theme For Initial CHS 'Smile Week'

Smile! Smile! Smile!
King and Queen of Smiles will reign during 'Smile Week,' February 25 through 29. SFC has designated 'Smile Week' in order to promote friendliness in the school.

On Friday, February 29, the Smile King and Queen will be elected in an assembly, and will be crowned soon afterwards. The students will elect them by secret ballot: one vote for the friendliest girl, and one vote for the friendliest boy. Pictures of the king and queen will appear in the annual.

Four SFC students make up the committee planning 'Smile Week.' They are: Anna Lou Samuelson, Peggy Jo Bonds, Billie Graham, and Lucy Hollabaugh. This group

has planned the following program for 'Smile Week.'

Monday:
Boys smile at girls.
Tuesday:
Girls smile at boys.
Wednesday:
Teachers smile at students.
Thursday:
Students smile at teachers.
Friday:
Everybody smile at everybody.

The committee will also be in charge of the election and will be responsible for counting the ballots in order to determine who will be 'Smile' King and Queen of Canyon High School.

This is the first time that a 'Smile Week' has been introduced in the school and it is planned by the SFC as a means of promoting friendliness.

Flock Trims Tulia Courtmen 53-37

Adding the third win to their district record, the Eagles outflow the stinging Hornets of Tulia, 53 to 37, in a District conference tilt in the Tulia High School gym.

The upset was the second for the Eagles against the Southern rivals. In the previous game the Hornets wings were clipped 55 to 37.

Burrus scored highest and captured high point honors by sinking 24 points. Ratliff paced second with 20 points.

STATISTICS		
Name	Fouls	Points
Ratliff	2	20
Williams	3	1
Burrus	4	24
Hamblen	3	1
Hardaway	0	4
Dawdy	2	3
Total	15	53

MARCH 20-21

New Trophy Case Installed in Hall

A new two-panel trophy case was installed in the entrance hall of Canyon High School Monday, Feb. 11.

Because of the lack of space in the present chest for the trophies won by the students of CHS, A. L. Chambers built a double case, identical to the four-panel one he built for the school two years ago.

Rearrangement of the senior plaques was necessary in order to have sufficient space for the new cabinet.

Dating Data

The ideal boy has short, dark brown hair, brown or blue eyes, and is about 5'11" with plenty of muscles. He is friendly, courteous, neat, and has a good sense of humor.

Manners, appearance, personality, voice, sense of humor, and smile are the characteristics of boys which make the biggest impression on girls. Four out of five girls prefer a combination of looks and brains, while the remaining ones prefer looks.

"Show-offs" are definitely out, as are boys who drink. Smoking is all right, say the girls, but most prefer boys who do not.

Girls like for boys to wear levis and western or sport shirts to school, and dress pants and a sport shirt on dates. Most of the girls like to do unusual or different things on a date, instead of always going to a show, church, parties, and dancing were the places most frequently suggested.

Girls turned thumbs down on boys who call for dates at the last minute, unless they had a very good excuse. They were unanimous in their decision against boys who do not want to meet their parents.

Being considerate of others is the quality most liked in boys, along with the ability to talk sensibly and seriously once in a while about things which interest both parties.

The fact that a boy does not have a car does not affect the girl's opinion of him. After all, it is the boy, not his car, that counts.

Newbold Morris, crime investigator for the White House, got his post only after President Truman decided that it would not be wise to name a new Attorney General to do the job, backed by all of the legal authority of the nation.

Ole Cal has dug oil wells and searched through hay stacks to bring ya sum news th's week. Though his searchin' were futile, he did find this:

Jean Stone: "I got a 100 today in math but I still flunked!"
Billie Carter: "Flunked! How?"
Jean Stone: "The answer was 200!"

Ellen Johnson (arguing with Laura Kinney): "Listen, I'm right. I ought to know. Don't I go to school, stupid?"
Laura: "Yes, and you come home that way too!"

Ole Cal urges every member of CHS to write him about school life and just what's on your mind. Cal would appreciate your fan mail! Maybe he could use some of the sayings and etc. in this column. Let's remember, however, not to make it a love-love column!

Mr. Barnett (giving lessons on the law of gravity): "I want you all to understand that it is the law of gravity that keeps us on the earth."

Jimmy Cornette: "How did we stay on the earth before the law was passed?"

Mr. Christy: "Have you been through algebra?"
Freshmen: "Not unless we passed through at night. We came all the way from Kansas, you know!"

Cal sez: Hope you all had a swell Valentines day last Thursday! Cal did.

So Long,
Cal

Improved Library Facilitates Study

Many improvements have been made in the library of Canyon High School which have made it a more efficient and systematic unit, as well as an attractive place in which to work. Book shelves, tables, chairs, book stalls, magazine racks, and bulletin boards are a few of the additions during the past two years which aid students in their work. The desks in the study hall were refinished and repaired.

A small work room is provided for Mrs. Nora Gilmore, librarian, where the library records and supplies may be kept.

Over 200 books have been added to the shelves; part of them were purchased by the school, and part of them were given to the library by students and teachers. The library has also obtained four series of books for classroom work. These are "Jim Davis" by John Masfield, "Treasure Island" by Robert Louis Stevenson, "The House of Seven Gables" by Hawthorne, and Thackeray's "Vanity Fair."

The systematic arrangement of the books by the librarian helps students to save time in their work, and the attractive placement of plants and flowers adds to the pleasant atmosphere maintained in the library.

First FFA Sweetheart of CHS Is Now Homemaking Teacher

Did you know one of the familiar faces around was CHS's first FFA Sweetheart? Mrs. Kate Gamble, Homemaking teacher, held this honor in her senior year at CHS. She was a guest at the Father and Son Banquet which was then held in the old cafeteria (or third floor hall.)

Mrs. Gamble attended CHS eleven years and taught English in the school system in 1944-45.

FFA Teams Win In District Meet

Canyon FFA chapter, senior and junior conducting teams, won first places in the district meet held at Canyon High School February 9. There are 11 chapters in the district, six senior and five junior.

Members of the senior conducting team are: president, Donnie Stroup; vice-president, Jim Cornette; secretary, Raymond Henders; treasurer, Norman Tucek; historian, Ted Lowe; second vice-president, Larry Porter; third vice-president, Don McDonald; parliamentarian, Tom Myers; reporter, Richard Pruett; sentinel, Tom Wright; and advisor, Lowell Hill.

Members of the junior conducting team are: president, Jack McCormick; vice-president, R. A. Burgess; reporter, Leroy Burrow; treasurer, Jimmy Golden; secretary, Foster Parker; historian, Larry Hungeate; second vice-president, Billie Joe Stephens; third vice-president, Billie McBroom; parliamentarian, Lonny Davis; sentinel, Tommy Rose; and advisor, Frank Lill.

Junior FFA quiz group, composed of Jimmy Kuhlman, Dwain Retherford, and Bruce Ranson, scored 269 out of a possible 300 questions.

The junior and senior conducting teams and the junior FFA Quiz team each won first place banners.

The senior conducting team has won first for the last four years. The junior team has won first three out of the last four years.

The two conducting teams and the junior quiz team will attend the area meeting at Plainview, February 23. If they win there they go to state.

Donnie Stroup, district president from Canyon, presented the district sweetheart, Jean Beth Keener, Stratford, with an orchid.

New Library Club Headed by Gilmore

Mrs. Nora Gilmore, head librarian of Canyon High School is forming a library club for the purpose of encouraging students toward a better appreciation of books and to give them an opportunity to learn library techniques.

Students will work at the desk in checking books in and out. They will alternate in preparing the library bulletin board and in editing the library news.

Members of the club will also have an opportunity to attend library conferences in some of the nearby towns.

Requirements for membership in this organization are: (1) A student must have two study halls; (2) He must be passing in all subjects; (3) He must be able to attend club meetings; (4) He must be responsible for assisting in editing the library bulletin, or doing his part on a program or the like; (5) He must strive to learn the library routine; (6) He must be classified as a good school citizen.

The club has five members at the present time. They are: Camilla Davis, Doris Bourn, Ruby Brown, Bob Hardaway, and Jo Jennings.

Whiteface Stampede Is Pushed Back by District 2-AA Champs

SFC Recommends Coat Room Storage

Construction of new coat rooms on the third floor was begun Wednesday, February 13, by A. L. Chambers.

The coat rooms will be built on each side of the entrance to the balcony. A single door in the rear of the coat rooms will replace the present double doors. Two-section cabinets will be placed inside each entrance.

Requests for the coat rooms were made by the Student Faculty Congress earlier this year. The new coat room has been a necessity for some time because at present the students opened locker doors are the only coat hangers available.

These doors, when opened with coats draped over them, are unattractive and dangerous. Students may be seriously injured by running into them.

Another request of the SFC which has been fulfilled, is the new waste paper baskets in the cafeteria and halls.

Replacements for the two waste baskets on each side of the entrance steps have not yet arrived.

FRESHMAN TEAM LOSES TWO

Canyon's freshman team lost to Phillips' freshmen 49-26, February 12, at Phillips. High point men were R. A. Burgess with 7 points; Ronnie Ratliff 6, and Billie McBroom 5.

The freshman team journeyed to Amarillo February 14, where they lost a close game, 29-22, to Sam Houston. Billie McBroom, with 7 points, led the scoring.

Miller Attends Ohio Convention

"Better citizens through better schools" was the theme at the annual Convention of the National Association of Secondary-School Principals attended by Principal J. E. Miller, February 16-20, in Cincinnati, Ohio.

A number of nationally recognized speakers were at the convention. Among them were: Harold Benjamin, John H. Fisher, John H. Furbay, Harold C. Hunt, the Honorable Walter H. Judd, the Honorable Brooks Hays, Ralph W. McDonald, Raymond Walters, and Jesse Stuart.

One of the highlights of the meeting was a banquet at which the topics "Education for the American Role in Today's World" and "What Makes Schools Better" was discussed.

Monthly meetings are to be arranged at the convenience of the members.

NOW IN PROGRESS

In the midst of 600 eager basketball fans, the Hereford Whiteface Herd knelt, 61 to 53, to the cagemen of CHS, in one of the hottest games of the season. The tussle was a District 2-AA conference game and was the deciding point as to who would represent District 2-AA in the Regional meet at Lubbock, February 29 and March 1.

Eaglettes Slash Whirlwinds 63-13

Canyon Eaglettes swooped and circled around the Floydada Whirlwinds to a victory of 63-13, Thursday, February 14.

The Whirlwinds failed to overcome their trailing score of 34-10 at half-time and tallied only one point in the third quarter.

Barbara Glanton, forward, tallied 20 points for high point honors. Peggy Bonds and Pat Ford tied for second with 10 points each.

The Happy Cowgirls lassoed the Eaglettes in a close game February 12, by a score of 33-26.

The Eaglettes, having previously defeated the Cowgirls, led at the half-time 22-15. Tysene Cox tied the third quarter score 25-25, with Phyllis Lemmons scoring for Happy. Barbara Glanton topped the list of scorers with 12 points.

Eaglettes' "B" team defeated the Happy "B" team 44-42.

Battling against time for scores, when the third quarter was tied 30-30, Martha McBroom and Rae June Ford scored Canyon's 14 points to put them on top. High point man, Martha McBroom, tallied 19 points.

First Place Cinched By Canyon B Eagles

With five wins and no losses the Eagles' "B" team lead in district. They defeated Tulia "B" 55-39, February 12, at Tulia. Don McDonald led the scoring with 15 points followed by Charles Miller with 11.

Hereford "B" fell to the Canyon "B" 51-34, February 15, at Canyon. The Eagles never lost their lead and the half ended 25-13. The Herd fell behind in the last half when Canyon's Charles Miller sank 12 points. Miller held high point honors with 18 points followed by Richard Pruett with 11 and Don Beck 9.

"B" TEAM'S DISTRICT RECORD		
Canyon 51	Tulia 47	
Canyon 41	Hereford 34	
Canyon 47	Floydada 25	
Canyon 55	Tulia 39	
Canyon 51	Hereford 34	

FUTILE QUERY
Can anything be more futile than the second L in Futilely?

In the opening minutes of the game, Williams ripped the net for 1 point after he had been fouled. This gave the Eagles a 1-0 lead. The lead was never broken during the entire game.

At the end of the first period the scoring roster read 20 to 16 in favor of the white and purple garmented boys. Burrus sunk 13 of the 20 points made in this quarter.

Scoring fell off in the second quarter, with the half time score ending 34 to 28. Hamblen scampered 6 of the points during this period.

Several spectacles occurred during the game. Much of the game was played on the floor as the two teams battled over an uncontrollable ball. It slipped through their fingers like a greased pig.

The second half was fast and the scoring went wild. Burrus again accounted for 15 points before he was fouled off early in the fourth quarter.

During the game 55 fouls were committed on both teams. The Hereford quint accounted for 30 of these and the Eagles accounted for 25.

The third period scoreboard read 53 to 41. This was the first time in the game that the Eagles had had a 12 point lead. But that lead remained the rest of the game.

Burrus, for the Eagles, scored 24 points. Hamblen came second with 11 points.

Graham, scoring for the Whitefaces, sank 23 points for the honor of high point man from the Herd. Mathers took second place honor with 13 points.

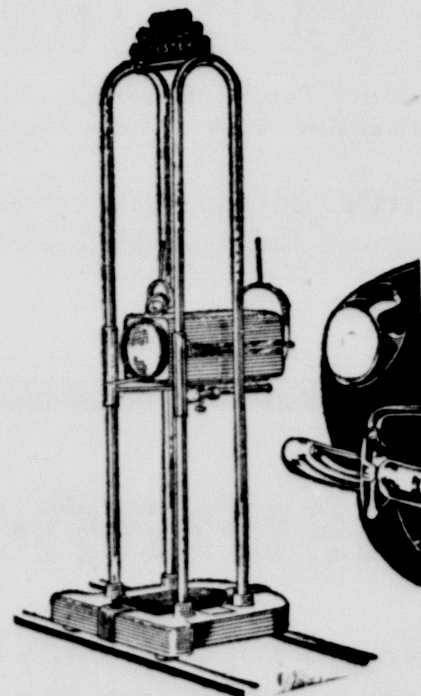

Late in the first quarter DeMent was taken from the field with two broken bones in his ankle.

Eagle starters were Dawdy, Williams, Burrus, Ratliff, and Hamblen. Whitefaces Graham, DeMent, White, Wilson, and Mathers started the tilt.

Name	Fg.	Ft.	Fouls	Points
Ratliff	3	5	5	8
Williams	3	2	3	7
Burrus	10	11	5	28
Middleton	2	2	2	2
Hardaway	1	1	1	1
Dawdy	1	2	2	3
Wimberly	1	3	1	1
Hamblen	5	2	5	11

AMARILLO, TEXAS

I think it is safe to predict that a record number of Texans will attend their precinct conventions this year.

For a long time, people have been talking about party politics, and how the "machine" runs the country.

They have not been doing a great deal about it.

Professional politicians have been able to run the party politics because they have controlled the precinct conventions. If I am any prophet, it is going to be different this year.

I predict that because a number of groups are already at work trying to win their objectives at the precinct conventions next May.

The two principal opponents are the "conservative" Democrats, who want to send an untrained delegation to the national party convention; and the "loyal" Democrats, who want Texans to pick out their candidate for president and stick to the choice.

Governor Shivers is spearhead-

Just Between You, Me and ... the Gatepost

Among the growing things in Canyon is The News office space. The back room will look a bit different when all the desks are moved out of the aisles between the machines. Jack, Charlie, and Mickey are going to enjoy a little more space about the various machines now.

Upstairs in the new addition the desks of office workers will have plenty of space for convenience. The arrangement should be ideal as it will prevent the people working at desks from getting in the way of those operating the machines and vice versa. In getting the new addition The News will be killing two birds with one stone, so to speak. First we're getting a balcony, like Juliet had when she snared Romeo and like Truman built hoping for a similar incident, and second we'll have an honest-to-goodness editorial office just like uptown papers.

There's a certain magazine on the market that loves to mention things that are getting "all hot up." That term may be used to death in the very near future because the possibility is great that political issues will be "hotting up" faster than the weather. Truman appears to be straddling the issue and hoping that someone will push him back into the White House which he has practically re-built. Those who discuss politics say that even the local level is going to be exciting before the general election is over.

Turning from something that someone is going to lose, meaning the election because everyone can't win, to something that has already been lost, we find a Canyon visitor who lost her purse. Mrs. Ira Bownds of Odessa believes that she lost her purse in the vicinity of Cooper's Grocery & Market. It contained \$22 and some change, she reported to the Sheriff's office. The purse also contains driver's license in the name of Mrs. Bessie Bownds. Finder of the purse should get in touch with Sheriff Cantrell.

In case there is still someone who doesn't know what that ripped up dirt is south of town, here's the answer. It's a brand new industry for this part of the plains and the purpose of it is to raise minnows for fish bait. The News is planning a story on the new industry as soon as we can get the needed information about the enterprise. About all we have learned so far is the fact that the owners are Cecil Sims and Bailey McCormick.

Congratulations are in order for Cliff Mlinar. He's one of the few persons who never seems to have a problem. Those who would like to cultivate the friendship of a very pleasant person should go to work right away on Mr. Mlinar.

Cecil Massey, another pleasant person, has been spending lots of time traveling about the Plains during the past week. Chamber of Commerce duties are really keeping him busy these days. He's a conscientious worker who is doing the town and the community a great deal of good.

Every now and then one of those comical little incidents pops up and there is just no restraining giving it a mention. That's what happened up front Thursday, February 14. Gene Davis came in to make a little purchase. Of course we wouldn't dare tell off on him but in case you want to know what he bought in Warwick's on Feb. 14, you might ask him. P. S., If you ask him, be sure that you stand a safe distance away.

The holiday lull after Christmas doesn't last long enough. There are a few days of rest and recuperation and then on February 14 comes Valentine, in March there's St. Patrick's Day, Easter comes in April and Mother's Day in May. That's not the end of it either, Father's Day is in June and then in July there's Independence Day. Then, too, most people have a few birthday presents to buy during this period. About the time you think you're finished with one holiday there's another one, and 'ain't it nice.

The weather got back in the news last week with a snow flurry Friday. There was just barely enough snow to let people know that it was snow but it remained cold all day long. According to reports, this kind of weather is good for wheat. We're still keeping our fingers crossed for a good wheat crop for the farmers of this area. They're really due one.

Even if last week's cold wave had not been a benefit to the wheat it still had a good cause left to serve. It sort of set back those early cases of spring fever which were making their appearance about town. Monty Rosenwald had the right slant on spring fever when he said that it caused all your blood to turn to lead and settle in your seat so you only wanted to set down all the time.

ing the "conservative" Democrat movement. Followers of this group believe that Texans at the national delegation would be in a better bargaining position if they were free to vote as their judgment indicated.

The "loyal" Democrats think it would be better if the Texans at the national party convention know in advance whom they were going to vote for, and if they were committed to vote for that man.

In the past, a lot of voters went to the polls and, because they were Democrats, they voted for the party nominee, even though sometimes they heartily disapproved of the Democratic presidential choice.

The only way a citizen can really take part in the selection of a party nominee is by attending the pre-

inct convention.

That's the real grass-roots origin of all movements for or against presidential aspirants. That's the only place where all citizens may freely go and make themselves heard, not only as to their ideas about the presidency, but as to national policy.

Those who control the precinct conventions send their delegates to the county conventions, whence go delegates to the state convention, and from there delegates go to the national convention.

And that's the way presidential hopefuls are nominated. If you don't attend your precinct convention, you have nothing to do with the selection of your party's nominee.

You are going to find within the next few weeks that your neighbors are interested in what is going to happen at the precinct convention.

People are going to call on you and ask you whether you are on the side of the "conservative" or the "liberal" Democrats. You are very likely to be asked to attend your precinct convention and vote this way or that way.

The winners of the precinct conventions, most likely, will be those who have the most followers—although sometimes a minority can win by means of clever parliamentary maneuvering.

Here's a tip for those of you who get interested in precinct conventions, who take one side or the other, and who try to get results: first, be sure you choose leaders who know the game. To begin with, you need an astute caucus chairman.

When you have selected this leader, help him organize the voters in your precinct so that all who believe as you do will be present at the county convention. This is a job of telephone and doorbell ringing. It takes that to win.

Congressional investigators are discovering, contrary to the standard U. S. line, that Joseph Stalin rather than Adolf Hitler ordered the massacre of 10,000 Polish officers early in the war. The Congressmen now want to know how the Voice of America has been telling it.

REDEFINITION

It would seem that "RFC" stands for "Reserved For Cronies."

Joseph Stalin is gambling on political pressures within U. S. to give him what he wants in any deal for a truce in Korea. Russians are sure that Mr. Truman will pay high to be able to talk about peace next November.

Informed officials point out that in all of Russia only 10 persons from non-Communist countries are permitted to have licenses to drive a car. In U. S., many Communists from abroad enjoy the run of the country with licenses to drive.

Your Bank Balance

It is important for your checkbook and the balance in your account at the bank to be in agreement. When you receive a statement of your account, follow these six simple suggestions:

1. Sort checks numerically or by date.
2. Deduct any bank service charges from your checkbook balance.
3. Enter bank statement balance here . . \$
4. Mark each of your checkbook stubs if the check has been paid by the bank. List checks drawn by you but not yet paid by the bank. Subtract the total . . \$
5. Add any deposits made later than the date of this statement and any in the mail not yet received by the bank . . \$
6. This balance should be the same as your checkbook balance . . \$
